Teaching and Learning

T&L Policies/Procedures

The Axholme Academy provides Quality First Teaching to ensure our students are **Able to Learn**. We believe that students are Able to Learn when:

- The curriculum and lessons are well sequenced, structured and delivered
- Students think hard about their learning within and beyond the classroom
- Students are Ready to Learn

Approach

Our evidence based Able to Learn Lesson Cycle (appendix 1) ensures that lessons are well structured to ensure that concepts and processes are introduced, understood and embedded.

Our **6Rs Independent Learning** Framework develops students lifelong learning skills and consists of:

1. REVIEW what has been learned to identify gaps
2. RESTRUCTURE information by producing revision materials
3. RETRIEVE information from memory by self-quizzing
4. REVISIT learning that hasn't been retained over time
5. REPEAT steps 2 and 3 until learning has been retained
6. REFLECT on how effectively you are using these independent learning activities

Curriculum

Our Curriculum Intent

At The Axholme Academy, our '5 Year Learning Journey' is designed to ensure that every learner is ready and able to go beyond expectations. This vision underpins three pillars upon which our curriculum is constructed, these are:

Pillar 1: Ready to Learn (RtL)

The Axholme Academy has Disruption Free lessons and our students are Ready to Learn. Our classrooms are spaces where learning can always take place because our approach is binary - students are either Ready to Learn or they are not. Three universal principles underpin our approach:

- Every student has the right to learn without disruption.
- Every teacher has the right to teach without disruption.
- Students are either Ready to Learn or they are not.

Our Ready to Learn strategies maximise the amount of curriculum time available for teachers to teach and for students to learn.

Pillar 2: Able to Learn (AtL)

The Axholme Academy provides Quality First Teaching to ensure our students are Able to Learn. We believe that students are Able to Learn when:

- The curriculum and lessons are well sequenced, structured and delivered.
- Students think hard about their learning within and beyond the classroom.
- Students are Ready to Learn.

All lessons are designed using our 'AtL Lesson Cycle'. This structure ensures that learning is introduced in small chunks, modelled using worked examples, scaffolded to develop confidence and practised to develop independence. Our approach to lesson planning and delivery has been informed by Rosenshine's Principles of Instruction, an evidence based approach proven to help students know more and be able to do more.

Pillar 3: Wider Curriculum Pledge:

Our wider curriculum provides all students with a range of experiences to equip them with the knowledge and cultural capital they need to succeed in life. Our pledge encourages students to be: Ambitious, Aware, Involved, Responsible and Thoughtful.

Workload and Wellbeing

The biggest asset The Axholme Academy has is its staff; the biggest asset they have is their health and wellbeing. We aim to identify ways in which we can work together to make sure our school is a safe, caring and happy place to work which enhances individual wellbeing, through personal fulfilment and professional identity.

We believe that this will in turn benefit our students and our community. We spend more daylight hours in school than at home, so it is important that we can have ownership of many of the decisions that affect us and that we have agency in our working lives. Our approach to supporting staff wellbeing is detailed in our staff wellbeing policy.

At The Axholme Academy we aim to promote a healthy work-life balance for all staff, where hard work and dedication, as well as the challenges of working in the context of a one form entry school, are recognised.

We aim to do this by:

- Producing calendars of meetings, deadlines and events so that staff can plan ahead and manage their workload.
- Investing in staff CPD, including professional and academic qualifications, such as NPQML, NPQSL or Masters courses.
- Reducing workload:
 - No expectation to mark every piece of learning or write extensive comments.
 - No formal lesson observations
 - No grading of lessons

- Engaging staff in annual wellbeing questionnaires to listen to and identify their needs.
- Enforcing the rule that no emails should be sent out before 08:00, after 18:00 or at the weekends.
- There is no expectation for staff to respond to emails or carry out work outside of typical school working hours (08:00 - 18:00).
- Offering easy access to occupational health/professional mental health support and employee assistance where necessary.
- Offering staff meeting time to complete specific tasks, such as medium term planning, action planning and theme week planning
