Teacher of Music - Full or Part Time (M1-UPS3)

Starting 1st September 2025

Dear Applicant

Kimberley School is a rewarding and exciting place to work. Our aim is for every child to achieve or surpass their academic and social potential and we achieve this through providing an outstanding quality of education, underpinned by a strong programme of care, guidance, support and enrichment.

You will be joining a strong team of professionals who focus relentlessly on ensuring that students enjoy learning and make outstanding progress. You will be part of Arts Faculty who have a superb track-record in securing excellent student progress, as well as offering a wonderful range of extra-curricular opportunities, and are well placed to go from strength to strength for many years to come. This will be an opportunity for you to join an outstanding, high performing team and learn from the very best.

Students in Key Stage 3 study Music for one hour a week throughout the year. Students can choose to study GCSE Music at Key Stage 4 and in recent years we have seen a significant increase in the number of students doing so. We also offer A-Level Music at Key Stage 5. The department enjoys its own specialist teaching facilities and practice rooms.

We are looking for someone who can teach all aspects of the Music Curriculum at Key Stage 3 and GCSE. There may also be the opportunity for the successful candidate to teach A-Level. This post is suitable for Early Career Teachers - as a lead partner in the East Midlands Teacher Training Partnership, and an early adopter of the Early Career Framework, we are well placed to support teachers at the start of their career. We will also consider applications from experienced or Early Career Teachers who would like to work on a part-time contract (0.6 or above).

A key element of the role of the successful candidate will be to work with the Music Subject Performance Leader to put in place and lead on a wide range of extra-curricular Music opportunities across the school. Our students benefit from these opportunities to learn an instrument and perform in front of a variety of audiences and the successful candidate will be given sufficient time to run these opportunities. If you want to offer our students the chance to experience the joy of learning an instrument and performance, then this is the post for you.

If you have a passion for teaching Music, then we want to hear from you. As part of East Midlands Education Trust there will also be the opportunity for continued professional development to prepare you for future stages of your career.

All staff are recruited under our safer recruitment processes, in line with DfE requirements, which includes an enhanced DBS check. We have a suite of safeguarding procedures, policies and guidance for all our staff and volunteers to ensure we actively promote children and young people's welfare and safety.

We are also committed to equality of opportunity in employment and it is our policy to promote equal opportunities in employment, regardless of race, colour, nationality, ethnic or national origin, creed, disability, sex, age, marital status or sexual orientation. This applies to recruitment and selection practices, training, promotion and in the application of national and local agreements in respect of pay and conditions of service.

This application pack includes a job summary, job description and person specification. Applications must be made on an EMET application form which you can download from the [East Midlands Education Trust website](#). Please note that CVs will not be accepted.
