More about the Department

LSST's Music Department is comprised of a dedicated team, which enjoys impressive outcomes for our students. The department is well resourced and benefits from high quality music and IT equipment. We are proud of the curriculum we offer, including one hour a week for all KS3 students, and healthy class sizes at GCSE and A level.

Many students participate in a wealth of extracurricular musical activities, such as Wind Band, String Ensemble, Orchestra, two Choirs, Song Writers Club and a variety of student bands. We provide many performance opportunities, including a Christmas Concert, Celebration Assemblies, annual Musical Productions, an Easter Concert and Summer Arts Extravaganza.

We recognise and champion career pathways for talented professionals and as such the department offers numerous opportunities to grow and develop your teaching career, from regular departmental training to full access of nationally recognised CPD suites through our Professional Development.

The Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.
