### **The Post**

We are seeking to appoint a qualified, enthusiastic, committed and ambitious teacher of Physical Education to join a very strong department within school. The successful candidate will display a real passion for learning and the teaching of their subject.

The PE department consists of five full-time members of staff, including a Dance specialist, who work closely together to offer a rich and diverse mix of PE and Sport. In Y7 and 8, students receive four hours of PE per fortnight, in Y9 they have three hours and in Y10 and 11 all students receive two hours of core PE.

At KS4 students can opt for GCSE PE and this is a very popular choice. PE/Sport is also very well established in the Sixth Form. We currently offer both the OCR Extended Certificate in Sport and Physical Activity and the OCR Diploma in Sport and Physical Activity. These are good-sized option groups with high success rates year on year. The candidate should be aware that if the Government decide to phase out BTECs, we will be moving to A-levels only very soon.

The successful candidate will initially teach PE throughout Key Stages 3 and 4 and may possibly make a contribution towards Sixth Form courses.

The school is extremely well resourced for PE with a superb sports hall, a modern well-equipped gymnasium, fitness suite, climbing wall, 3G pitch, playing fields and the use of the school hall. The school holds the School Games Gold Award in recognition of the quality of the sports provision provided and the number of students involved in our extra-curricular programme.

We are seeking to appoint a talented PE specialist who has a passion and expertise across a number of sporting areas and who has a deep commitment for ensuring all pupils benefit from their experience of PE whilst at school and be fully committed to extracurricular activities.

The successful candidate will be expected to support colleagues in the pursuit of outstanding practices in Physical Education teaching and learning, ensuring students fully develop their skills and competences, are engaged and interested and make excellent pupil progress. You will be keen to ensure that all students leaving Altrincham College will have a lifelong interest in their own health and wellbeing, promoting an active lifestyle.

The school actively participates in a number of sports at team level. We expect this representation in local sports to be continued and extended. A number of students have achieved recognition at County and National level and in a variety of sports. The department is well resourced and is a vital part of the life of the school. Again, the successful candidate will be fully committed to developing the extra-curricular opportunities provided to students.

The person appointed will be expected to play a full part in the whole life of the school and in the delivery of the Academy Improvement Plan.
