

## OUR PE FACULTY

The Baysgarth PE Faculty is a highly successful, hardworking and dedicated team consisting of five full-time teachers and two part-time teachers, all of which are PE or Dance specialists. We are lucky enough to have the best facilities in the local area, including a full size 3G pitch, Sports Hall, Gym, Dance Studio, Outdoor Gym, MUGA, Netball/Tennis Courts, Skatepark, Athletics Facilities and extensive grass fields, with an artificial Cricket wicket due to be built in April 2023 and further plans for expanding facilities in the future.

At Key Stage 3, we follow a curriculum that allows us to make the most of our fantastic facilities as well giving students a well-rounded education in a range of sports through a holistic approach to PE. Our aim is to create students who have lifelong love of PE and a clear understanding of the health benefits that exercise has on the body.

At Key Stage 4, students can choose to study OCR Cambridge Nationals in Sports Science, with our results over the past three years putting us in the top 1% of schools in the country. The faculty also deliver a wide range of extra-curricular activities and are highly successful in a number of sports in both district and county competitions.

The successful applicant will be a creative and inspiring teacher of PE who recognises the value of working in a team, is able to manage and lead others successfully, as well as demonstrating outstanding problem solving, time management and organisational skills. The successful applicant must have experience of teaching a wide range of sports as well as a clear grasp of management and teaching of theory courses.

If you are passionate about enhancing the lives of young people, can promote a love of learning in PE and are willing to work hard in raising the aspirations and outcomes of Baysgarth students, then we look forward to hearing from you.

If you have any questions about the role or the faculty, please contact our Director of Sport via [christopher.wright@baysgarthschool.co.uk](mailto:christopher.wright@baysgarthschool.co.uk).
