

NUNNERY WOOD HIGH SCHOOL

Teacher of P.E.

Person Specification

The person appointed to the post will:

1. hold an appropriate degree level qualification in Physical Education and a recognised secondary age range teaching qualification.
2. be able to teach the relevant aspects of the subject at Key Stages 3 and 4 where possible demonstrating a particular specialism and be competent to teach P.E. both the above Key Stages.
3. have an understanding of the learning needs of less able students and be able to respond to them.
4. appreciate the needs of more able students and teach in a manner which acknowledges the need for differentiation and extension.
5. be a competent and enthusiastic communicator of the subject to adults and students.
6. be aware of and responsive to current teaching developments within the subject area and be aware of Health and Safety issues in the work shop context.
7. expect and be able to achieve appropriate standards of behaviour and discipline both within and outside the classroom.
8. work collaboratively within the Department and with other staff.
9. be willing to accept and evaluate advice from subject and pastoral managers.
10. wish to contribute, either within or outside the subject specialism, in some way towards an activity which enriches the educational, social or cultural experiences of the students.
11. seek to establish/promote a successful professional career within the school.
12. be in sympathy with the ethos of the School and seek to uphold, develop and enhance the achievements and standards towards which the School works.
13. the ability to support pupils/respond to parents through fluent and accurately spoken English.
