Oasis Academy Silvertown

Welcome to Oasis Community Learning

A very warm welcome to Oasis Community Learning!

Oasis Community Learning was established as a Multi-Academy Trust in 2004 with the vision to create “Exceptional Education at the Heart of the Community”. We now run academies in five main regions throughout the UK, providing either Primary, Secondary or All-through education to over 32,000 young people - 47% of whom are from disadvantaged backgrounds and 31% who speak English as an additional language.

All of our academies are committed to providing a rich educational experience and ensuring that every child and young person has the opportunity to achieve at the highest level. Our ethos is integral to that provision. It is an expression of our character, a statement of who we are and therefore the lens through which we assess all we do. We are committed to a model of inclusion, equality, healthy relationships, hope and perseverance throughout all aspects of the life and culture of each academy community.

We passionately embrace learning and are committed to every child within our care reaching their full potential, developing holistically across every area of their lives both now and in their future. All of this is underpinned by our philosophy of education which highlights our focus on inspirational leadership, deep learning and healthy communities. It aspires to develop the character and competence of every child within every community of which we are a part.

At Oasis Community Learning therefore, we believe we are all ‘the architects of our students’ lives’ and as such we are committed to laying the right foundations for every one of our young people.

We also know that great schools are only sustainable within happy and healthy communities. In order to tackle the root causes of disadvantage we seek to ensure that school improvement and community development go hand in hand. In this way, the improvement is likely to be deeper, mutually supporting and long lasting.

Our academies are therefore just a part of an Oasis ‘Hub’ that provides wide-ranging and integrated services, designed to meet the needs of local people. Our shared aim is to work with and alongside disadvantaged children, young people, whole families and members of the wider community, empowering them to transform their neighbourhoods into places that are safe, supportive and full of opportunity.

We are now recruiting to appoint an exceptional Teacher of PE to join the team at Oasis Academy Silvertown.

Oasis Academy Silvertown

Oasis Academy Silvertown was planned and founded by the West Silvertown community who dreamed of having a local school which ensured both academic excellence as well as nurturing care for local children. After many years of discussions, plans and applications to the Department for Education, the academy opened in September 2014 in portacabins and finally moved into its permanent home in September 2022.

Our academy vision is to ensure that all of our students become 'Ready for University, Ready to Lead'. We have held tightly to the original dreams that the community had for our school, creating an environment where we have high academic aspirations for every student as well as ensuring we support and develop each child into growing and developing as a leader. Our small size means that every child is known by our staff and that we have a strong community feel where children want to learn and to behave well.

I worked at the academy as Assistant, Deputy and Acting Principal from September 2016 – August 2023 and feel so privileged to have had the opportunity to return as Principal from September 2024. The families, children and staff who make up the Oasis Academy Silvertown community care deeply about the success and futures of all of our students and it is a joy to work alongside them in this role.

The academy has been through considerable change in the past year and is now in a new phase of growth focused on improving student outcomes through a focus on high aspirations, strong relationships and love for learning. We are now in our final period of expansion as we move towards full student capacity (600 students, September 2026).

We believe that school is crucially important for young people, but that they will develop best when also engaged with their local community. As a result, we work closely with local organisations to ensure that our children have the very best opportunities to learn, to be supported and to build relationships with local professionals.

About you

We are looking to recruit a passionate, caring and hard-working educator to the key position of Teacher of PE to support the Principal, staff and our students as we work to get 'Ready for university, ready to lead'.

Vision statement:

'Ready for university, ready to lead'

Values – our Five Be's:

Be proud. Be professional. Be nice. Be resilient. Be independent.

Golden threads of staff culture:

- High aspirations for all staff, all students and all areas of work in the academy. We believe that our students deserve excellence, can achieve excellence and that our hard work can get us there.
- Love for learning for our students and as well as for us as staff. We cultivate a culture of continuous improvement, seeking out opportunities to learn from others so that we develop and get better at what we do. We give and welcome feedback and maintain a humble attitude that makes this possible.
- Strong relationships between staff, students, families and with the community are central to all that we do. We recognize that brilliant teams are greater than the sum of their parts and

that everyone is more likely to thrive when working positively and productively with those around them. We develop our relationships by celebrating, supporting and challenging each other, by talking honestly *to* people, not *about* them, by assuming the best and by being resilient, seeking to restore and repair whenever needed.
