# BACKGROUND: Department Specification relating to post

## **PE Department**

An opportunity has arisen to join an aspirational experienced PE department whose vision is 'as a result of the positive experiences, confidence, skills and knowledge gained in PE, Ringwood School students leave Year 11 inspired and engaged to continue to have lifelong participation in physical activity'

The PE department comprises of 8 teaching staff, including a Head of Year and two Assistant Headteachers; and we are looking for an individual who can broaden our offer of sports for our students. The departmental staff meet regularly both formally and informally and are committed to a high quality of physical education for all students.

The School believes strongly in the importance of physical activity to both mental and physical wellbeing of all students and to this end students currently enjoy 3x50 minute lessons per week of PE at KS3 and 2x50 minute lessons per week at KS4. We have partnered with the Youth Sport Trust to integrate physical activity and movement into daily life. We have challenged all Year 7 to walk 26 miles ('the marathon') in school across the school year. Many other year groups have also embraced this challenge and can be seen 'walking the marathon line' around school each morning in tutor time. The PE department deliver more than just a high quality physical education through core lessons and consequently they have embraced the Rugby Union's core values TREDs- Teamwork; Respect; Enjoyment; Discipline and Sportsmanship- as the backbone of the values they want to instil in students through PE lessons and school life.

Exam courses in PE are highly popular and recruitment is strong with outcomes to match; for example GCSE PE is an ALPs 2 (outstanding) with A-Level PE currently sat at ALPs 4 (very good). We offer both AQA GCSE PE and OCR Sport Studies in Key Stage 4 with a high take up and both OCR A-Level PE and a Level 3 CTEC in Sport and Physical activity in Key Stage 5. The successful candidate would be expected to contribute to the teaching of examination PE and experience here would be desirable.

We benefit from the use of Ringwood Recreation Centre during the school day to deliver several components of our physical activity curriculum, such as swimming for example. Having access to this facility enriches what we can offer.

Ringwood School has a rich tradition and reputation in the local area through our extra-curricular opportunities. Regularly competing in local leagues and entering regional and national competitions; as well recreational opportunities for students of all abilities and confidence in sport. We are looking are looking for an individual to continually drive these opportunities for our students.

The PE dept work closely with the Heads of Houses and we offer regular Inter-house competitions both formally within curriculum time and across the school day.

At our school our staff are our most important asset and therefore we are committed to developing the each individual who works at Ringwood School. All staff have access to tailored CPD and will experience opportunities to progress further.
