

UTC Sheffield Teacher of PE / Sports Science

NOR: 600 (360 at Post-16)

Age range: 13-19 years

Start: As soon as possible – January / Easter 2023

Salary: £25,714 - £41,604 dependent on qualifications and experience (pay rise pending)

The UTC Sheffield Academy Trust is pleased to be recruiting for our UTC on the Olympic Legacy Park that opened September 2016 offering exciting opportunities for students in Health Science, Sport Science and Computing. We aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers.

We provide training today for the jobs of tomorrow. Our cutting edge facilities and engagement with employers' / university partners provides an exciting environment in which to teach and develop professionally.

You will work alongside a team of well-established UTC staff within the faculty of Sport and Health Sciences to continue to develop the UTC as a centre of excellence focusing on Computing, Sport and Health Sciences. Together under the direction of the Curriculum Directors you will support the delivery of a range of vocational qualifications including Level 2 OCR Cambridge Nationals and Level 3 OCR Cambridge Technicals. Qualification specifications can be found in the curriculum information sheet found on the UTC website. Staff may be required to teach other subjects within the faculty, therefore experience and/or a willingness to teach Health and Social Care, and/or Social Sciences would be a distinct advantage, but not essential.

You will be a highly skilled practitioner who understands the challenges of educating 13-19 year olds in an employer-led technology rich environment. Effective partnership working is absolutely critical to the UTC's success, therefore any pre-existing links to organisations or companies within the sector would be advantageous. We also welcome applications from newly qualified teachers who have the skills and attributes to develop their expertise within our unique environment.

We are looking for engaging and inspirational individuals. Resilient, driven and focused who will help establish a pioneering institution at the heart of the Sheffield City Region and its communities.

The UTC Sheffield Academy Trust is sponsored by Sheffield Hallam University, The Sheffield College and Sheffield Chamber of Commerce.

Closing date: Midnight Wednesday 7 December 2022 **Interview:** Monday 12 December 2022

We are an employer who values equality and diversity and we are committed to safeguarding and promoting the welfare of children. Successful applicants will be required to have an enhanced DBS check and will be subject to safer recruiting procedures.
