## Post Title: TEACHER OF PE/Sports Science

---

This is an exciting opportunity for an enthusiastic, driven and well-qualified teacher of Physical Education to join our team.

The post is full time, permanent to start ASAP. NQT applications are also welcome.

The closing date for applications is 9am Friday 30<sup>th</sup> April 2021.

### The Department

---

The PE Department at Dinnington High School is a friendly and supportive team. We are passionate about the role PE plays in the lives of the students at our school. The team consists of 5 staff members who offer a range of expertise. The department enjoys a partnership link with Retford FC as part of our Post 16 Scholars' programme and offers a full primary PE package to cluster schools.

Physical Education is a popular option at Dinnington High School at KS4 and KS5. We are looking for a teacher who can inspire students believing that lessons should be active, engaging and inspirational, promoting resilience and creativity as well as good health and fitness. It is our aim to ignite a passion for lifelong movement as well as ensuring students enjoy their lessons.

Quality first teaching underpins the work we do. We also believe in the need and importance of creating strong relationships with students to support each child in their journey through school and PE. Within the department we have created a supportive environment in which staff are encouraged to develop professionally. We have several experienced mentors in the department if the successful candidate is an NQT.

Students in year 7 and 8 have core PE lessons as well as the opportunity to take part in extracurricular clubs and activities. At KS4 (Y9-11), we have a strong take up of Sports/PE options, core PE and a range of clubs and opportunities. We offer both vocational and A'Level pathways at KS5 and a Football Scholars' programme that includes 5 hours of training and matches per week, with fixtures played in the Sheffield Colleges League. Previous alumni have gone on to a wide range of post-18 sports related courses including football scholarships to the US.

The faculty provides a wide range of extra-curricular activities and we would expect the successful applicant to contribute towards these experiences for our students. We also use the subject to offer opportunities to our students including International tours and trips that develop aspirations and personal development skills. Our last international trip was to the US & Canada, in non Covid times we offer an annual ski trip, and one of our Heads of Department also leads the Duke of Edinburgh programme.

Currently students across Key Stage 3 are taught in mixed ability classes, experiencing a broad range of activities, at Key Stage 4 we have single-sex lessons (in response to student voice). Students have the option to pursue GCSE PE, OCR Level 1/2 Cambridge National Sport Science and Sports Studies at Key Stage 4 beginning in year 9. In 2019 our pass rate for L2 Sports Science (Grade 4+) 98%. Our 2020 pass rate was 92%.

In Key Stage 5 we offer OCR Level 3 Technical Award in Sport and Physical Activity and Edexcel A level Physical Education. Our results are outstanding with L3VA scores consistently high. Our most recent A level cohort achieved 100% A-C.

As a department and as a school, we pride ourselves on being mindful of staff well-being in a collaborative team.
