

WOLLASTON SCHOOL

Wollaston School is a large, rural community school located in a village setting about 15 minutes drive from Northampton. The student intake draws on nearby villages and the towns of Earls Barton, Wellingborough, and Irchester. We have over 1400 students on roll with approximately 240 students in the Sixth Form. The school is over-subscribed. Wollaston School was rated 'Good' by Ofsted in April 2017.

Required for September 2022

TEACHER OF PE [MPS/UPS]

(with second subject Science or Maths being an advantage)

We are seeking to appoint a skilled teacher of PE, with the ability to teach Core PE throughout the school as well as examination courses at GCSE and A-Level by negotiation. We welcome applications from Early Careers Teachers and we offer a fully supported induction programme, including regular subject specific mentoring & whole school professional development. The successful candidate will be a well-qualified and dynamic teacher, committed to raising students' skills and willing to take an active part in the Faculty's thriving extra-curricular programme.

PE is taught to all students throughout Key Stage 3; students have a 1 hour 40 minute lesson and a 50 minute lesson each week. At Key Stage 4, as well as Core PE which is taught to all students, GCSE PE is a very well subscribed option. The subject is also popular in the Sixth Form and several students go on to study PE or health-related courses at higher education each year. Examination outcomes at both GCSE and A-level are strong.

The PE Faculty comprises 6 full time staff and several part-time staff. The Faculty teaching spaces comprise extensive grass playing fields, astro-turf pitch, outdoor tennis courts, sports hall, gymnasium, recently re-designed multi-gym and the faculty also has its own dedicated indoor classroom and IT suite.

We offer a comprehensive employee benefits package including support of the Teacher Pension Scheme, Cycle to Work Scheme, Discounted Onsite Gym Membership and onsite parking.

Wollaston School is a fantastic place to work and study. Informal visits are welcomed if you would like to see us in action and to learn more about us prior to your application.
