Female Teacher of Physical Education
Main Scale plus Wren Academy Allowance

**Part-time, flexible working or temporary position will be considered
Required for September 2023**

A great opportunity to work in a talented, highly motivated and supportive group of teachers who have contributed to securing the Academy's outstanding OFSTED status, exceptional examination success and successful Sixth Form.

Located in the London Borough of Barnet, Wren Academy is sponsored by the Church of England and Berkhamsted School. The academy has developed a strong reputation for outstanding teaching and learning, as demonstrated by our Progress 8 figure, which places us in the top 100 schools nationally. We are an all-through school with an established Sixth Form and a primary phase which opened in 2015. The engaging curriculum, and state of the art buildings have contributed to the academy's notable success.

The Academy is a forward-thinking establishment and welcomes colleagues who are enthusiastic and ready to help create powerful and effective learning experiences for all students. The English department is a thriving part of the Wren community and offers both English Language and English Literature to A Level. The curriculum is innovative and focused on developing students' lifelong love of English, as well as achieving outstanding examination success at all levels.

Wren is a Multi Academy Trust and plans are well advanced to build new schools which will provide exciting professional development opportunities for the successful candidate. This includes Wren Academy Enfield which opened in September 2020 to a first cohort of Year 7 students.

We wish to appoint a colleague to this post who has:

- Outstanding teaching and interpersonal skills.
- A willingness to teach pupils and students from Reception through to Year 13.
- The desire to contribute to an innovative and successful Physical Education team.
- A board knowledge of sports with the potential to teach all abilities and all levels.
- Excellent organisational skills.
- Evidence of ambition and a commitment to continuing professional development.
- The desire to maximise the performance in both curriculum and extra-curricular activities.
- A willingness to deliver a minority of non-specialist subject lessons.

Flexible working arrangements will be considered.

Closing date: 9.00am, Friday 9 June 2023, but applications will be considered as they are received. Interviews: Week commencing 12 June 2023.

Academy Information 2022-2023

Wren Academy Finchley opened in September 2008 as a new school sponsored by the London Diocese of the Church of England and Berkhamsted School. We have come a long way since the Academy opened to its first Year 7 in 2008 and are now an all through school with over 1500 students aged between 4 and 18. The Academy has continued to grow as we opened our Sixth form in 2013 and have taken on new primary cohorts since 2015. Wren Academy Finchley is proud of its successes having secured exceptional academic progress for our students at KS2, GCSE and A Level. We have also established a national reputation for excellence in teaching and learning, developing an approach that focuses consistently on enabling young people to be effective learners, regularly hosting visitors from the Republic of Ireland and Netherlands.

Our Sixth Form has grown in popularity since opening to our first Year 12 students in 2013. It has rapidly established a reputation for academic excellence, great study support and a rich and varied extra-curricular programme. Furthermore, we have proved our ability to help students achieve their ambitions by gaining access to the best university courses and employment opportunities.

In September 2020, Wren Academies Trust opened Wren Academy Enfield with the first cohort of Year 7 students. The Wren Academy Enfield will then grow each year to become a six form entry 11-18 school. The development of a second Academy has led to further collaboration and innovation with subject departments regularly sharing resources and aligning assessments to reduce workload. Further growth of the Trust will result in opportunities for continued Professional Development and career progression.

The Trust has established a national reputation for excellence in teaching and learning at Wren Academy Finchley, developing an approach that focuses on enabling young people to be effective learners. It is planned that Wren Academy Enfield will take the same approach resulting in similar success and achievements. The learning framework of the Academy is based on the 6 Rs which encourages students to be:

- Resilient
- Relational
- Redemptive
- Reflective
- Resourceful
- Reverent

These characteristics of effective learners are currently being included into a new teaching and learning framework, rooted in a research based evidence. Currently, a teacher working party is drawing on the latest findings in the science of learning to produce clear, manageable approaches which will utilise the most effective teaching strategies. In addition, all learning is supported by a digital tablet which are an expected item of equipment for each student. The use of this technology enhances learning within the classroom and at home.

The Academy has high academic standards coupled with a strong emphasis on developing students' social, cultural and learning skills. Our learning culture embraces all aspects of life at Wren, not just the lessons. Students are happy and make exceptional progress at the Academy as evidenced by the following:

- Excellent Progress at GCSE (P8 Scores: 2022: +0.87, 2019: +0.91)
- Amongst the highest non-selective schools in Barnet for Attainment 8: (2022: 65.28, 2019: 61.85)
- GCSE 5+ in English and Maths- 2022: 82%, 2019: 80%.

- Over-subscribed Sixth Form with excellent destinations for all students – in 2022, 4 students have progressed to Cambridge University and 1 to Oxford University)
- A Level grades: 41% A*-A, 86% A*-C (2022)

We were also delighted with the university and employment destinations our students are achieving. Most Wren Finchley sixth form students move on to the university of their choice with increasingly high numbers going to Russell Group institutions, with Oxford, Cambridge, Durham, Imperial and the UCL amongst our destinations. Wren students regularly win places on the most competitive courses, including Medicine, Dentistry and Law. Students also gained places at highly sought-after creative arts institutions such as Central St Martins as well as prestigious apprenticeships with companies such as Deloitte and Jaguar.

Wren is a comprehensive school, which welcomes students of all academic abilities and maximises their potential. We are also a vibrant and culturally diverse community and actively pursue the aspiration of becoming an anti-racist community. A particular focus of CPD in recent years has focussed on increasing staff understanding of racist language, behaviour and actions. We also have a black student focus group contributing to our wider understanding of the life experiences of our black community.

Our staff body of 96 teaching staff and 65 student services colleagues is inclusive and representative of the community in which we serve. All staff, whatever their role, are equally valued and the contribution of student services colleagues to the life and success of the Academy is celebrated. Our restaurant, centrally situated, is the heart and hub of our community. This provides a bright, clean, communal space where staff and students can socialise, meet and eat. Over the years, the restaurant has become the foundation for strong relationships across departments and staff groups ensuring that all staff benefit from friendship and support beyond their immediate teams. We have consistently recruited a talented and committed staff who share the ambition of creating a uniquely successful school.

Our curriculum is innovative, challenging and engaging. There is an extended school day, single sex teaching in core subjects and an extensive timetable of enrichment activities. Each half term we have a focus day on which the usual timetable gives way to in depth study of a range of issues. To further support learning and social development, we have a house system and there are vertical tutor groups for students Years 7-10.

Inspired by Sir Christopher's Wren our specialism is Design and the Built Environment. Key skills associated with our specialism, like planning and creativity, impact across all subjects. We work closely with a range of public and private sector partners in delivering the specialism and in ensuring it enhances but never dominates our curriculum.

We have a campus, which is architecturally innovative and visually impressive with a high emphasis being placed on environmental sustainability. The buildings provide for a wide range of teaching and learning approaches with larger, flexible learning areas and smaller group rooms alongside more traditional classrooms. The working environment for all staff is of a high quality.

Teachers are encouraged to innovate and adopt a research-focused approach to improving their practice. All teachers joining Wren receive a high quality professional development experience. We hope that simply by working at the Academy, teachers will become better practitioners and that much of the best professional development will be found in working with Wren colleagues. However, we explicitly prioritise CPD with an innovative CPD programme which provides three hours of CPD per week. Within this structure is an increasing focus on engaging with the latest educational research, with many colleagues undertaking small scale research projects related to their practice. Therefore, we are looking to recruit teachers who are currently good or outstanding and who have the desire to develop further. We want to appoint colleagues who possess real curiosity about the ways

in which children learn most effectively and who are always seeking to extend their practice into new areas and learning activities. It is important that Wren teachers are ambitious both for themselves and for their students. Many of our teachers have achieved career advancement within the Academy whilst others have moved on to promotion elsewhere.

At Wren you will be given time to plan and evaluate your lessons. You will be part of a learning dialogue with colleagues for which time is set aside. Most importantly of all, you will be working with young people who are talented and enthusiastic about their learning. We believe that observing other teachers at work and having them observe you is a professional entitlement. It is an expectation that all Wren teachers will be confident and open in seeing lesson observation as a key element of how we learn as professionals.

Other benefits of teaching at Wren:

- Children of colleagues working at Wren for over two years are given priority for a place in Reception or Year 7
- An exceptionally talented and mutually supportive staff team
- Talented, courteous and ambitious students
- Excellent professional development opportunities including support for programmes of further study and planned career development. This includes the opportunity to study for NPQs.
- Timetabled professional development time during the school day
- Planning and evaluation time during the school day
- A pleasant and attractive working environment
- Free refreshments and a daily lunchtime allowance
- 'Wren Allowance' in recognition of delivering enrichment activities and contributing to the wider life of the Academy.
- A lower student contact ratio than the norm

Physical Education Department

Departmental vision

The departmental vision is simply MORE. More students, being involved in more high-quality Physical Education and school sport, more often.

The department strives to deliver high quality, enjoyable lessons which all students can access and develop within. The Academy also operates an enrichment programme, in which many sports activities are included. This coupled with after school clubs and practices mean that students have numerous opportunities to participate.

The Academy is also keen on students taking part in intra-school and inter-school competition. This year there are two planned Inter-house sports events, in which all students are expected to participate as well as several optional activities. The Academy has a wide range of sports teams. The department has developed community links and is keen to explore new opportunities. This has been in a variety of forms from taster sessions to coaches being used during curriculum time and out of school hours. The academy is also actively involved with the Barnet Partnership for School Sport and actively encourages students to attend community clubs and activities.

Curriculum and learning approaches

The department aim is to provide the students with a broad and balanced curriculum and prepare them for the standards needed for examination courses in PE / Sports Studies and intra-school competitions. At Key Stage 3 students cover eleven activities a year. In Year 9 students have the option of taking Physical Education as a preference in addition to their two hours of core Physical Education, giving them the opportunity to learn more about the subject and prepare for further study. At Key Stage 4, students have the option of taking the Level 1 and 2 Cambridge National in Sports Studies, and all students have a compulsory hour of core Physical Education each week in which they are given variety of sporting activities to choose from.

The Academy became an all-through school in September 2015 and the Physical Education department now delivers curriculum based primary phase Physical Education to children from Reception onwards.

A wide range of activities and teaching styles are used to develop students' skills and fitness, but underlying all of this is an inclusive and encouraging atmosphere. The departmental moto is "Personal Best" and students' progress at every level is recognised and celebrated. Assessment for Learning is a key feature of all lessons and students' personalised progress is recorded and tracked to ensure that all are motivated, challenged and engaged.

Staffing

This year the department has consisted of a Head of Physical Education and three further specialist members of Physical Education teaching staff and a Physical Education Technician.

Accommodation

There is a Sports Hall, MUGA and Mini MUGA (Hard Courts). Alongside this there is a field, with which there is one football pitch or 200m athletics track (depending on the season) and some access to the Assembly Hall space. The Sports Hall is well equipped both in terms of sports equipment and ICT, including a plasma screen with interactive overlay and iPod docking station for audio.

Additional information

A strong commitment to extra-curricular activities is required. This is an extremely exciting opportunity for a teacher of Physical Education to work within an outstanding school.

Please contact Matthew Ray, Head of Physical Education, to find out more about the department and the post: m.ray@wrenacademy.org
