

Teacher of Physical Education (Fixed Term)

Pay: **MPS**

Hours: **0.6**

Deadline: **8am, Monday 30th June 2025**

Start Date: **September 2025**

We are seeking an exceptional PE teacher with the energy, passion and creativity to teach PE in the Secondary phase of our thriving All-Through school. This is a fixed term contract for the whole of the Autumn term and would suit either an experienced or recently qualified teacher, with a passion for developing and increasing engagement for girls in physical education and extra-curricular activities. The ability to teach GCSE PE, lead on GCSE PE NEA practical assessment and arrange fixtures for this assessment would be an advantage. This position is 0.6 and suited to someone who can work Monday, Wednesday and Friday, however, other days may be considered. A fixed term, full time position could be considered for the right candidate.

CFS is a happy, collaborative and forward-thinking school for 4-16 year olds, where the personal development of our pupils is just as important as the academic curriculum. In our recent Ofsted, inspectors observed that CFS is a vibrant, ambitious and inclusive school, where our respectful and friendly pupils are thriving and are well prepared for their adult lives. Our values of 'nurture, challenge and inspire' influence everything we do as a school, and genuinely permeate all areas of school life. If you share our values and ideals, we strongly encourage you to find out more about CFS via a visit to the school or through our school website www.chichesterfreeschool.org.uk.

Whilst this is predominantly a secondary post, there is something extremely unique and special about working in an All-Through environment; the successful candidate will have the opportunity to work creatively with colleagues from both phases helping to develop a cohesive and truly progressive educational experience for all learners.

CFS follows national pay scales; this role would be equally suitable for an early career teacher or more experienced teacher. The Upper Pay Scale would be considered for the right candidate and on the agreement of a whole school responsibility in addition to the role outlined below.

The School

CFS is now entering its second decade and is fully established in our state-of-the-art facilities on the Carmelite Convent Site on the Hunston Road in the south of Chichester. Our PAN is 60 in Primary, and 120 in Secondary; in almost all year groups we are oversubscribed with waiting lists. Due to demand, we have a bulge intake of Year 7 who started in September 2023, with over 150 pupils currently on roll in this year group.

The School joined Sussex Learning Trust in September 2023 – a move that we personally initiated through the desire to collaborate with a like-minded family of schools. The Trust is currently small and based in Haywards Heath; CFS are well placed to launch a new Chichester Hub of the Trust, which is really exciting.

As a Free School, we are the same as any other academy; we are both held and hold ourselves to the same exacting and rigorous standards as all state-funded schools. We follow the national curriculum, and are proud of our ambitious, inclusive and varied curriculum offer. Our pupils engage with SATs and GCSE assessments.

In May 2024 we received a very strong full graded Ofsted Inspection – graded at least a strong Good in all areas and Outstanding in Personal Development. As a school we are now striving for excellence in all areas, and to achieve above average outcomes in both phases.

CFS is open to pupils of all abilities. We do not have a catchment area, thus ensuring the School is fair and inclusive. We take part in the West Sussex County Council (WSCC) admissions process. As a school we benefit from longer holidays, specifically at October half term, Christmas and during the summer.

Our Values and Vision

At CFS, we create a safe, inclusive, environment through our **culture of kindness** where we **nurture**, **challenge** and **inspire** all learners.

Our team of passionate educators, working with our **community**, offer a broad range of **opportunities** and **experiences through cultural capital**, alongside **excellent**, evidence based, teaching.

As a result, our young people develop a **love of learning** and are empowered to achieve accelerated **academic progress**, to find personal fulfilment and to become **resilient**, responsible **global citizens**.
