INFORMATION ABOUT THIS POST

PHYSICAL EDUCATION & SPORT FACULTY

This is a dynamic, forward thinking faculty currently comprising 7 specialist teachers, a Primary PE co-ordinator and a technician/lifeguard, working hard to provide a varied, stimulating curriculum. We firmly believe in 'sport for all' and strive to deliver a broad and balanced programme to our students. Examination level Physical Education has produced excellent results in recent years to enable our talented students the chance to succeed further. We have a strong tradition within the area for developing young talent through curricular and extra-curricular activities and we are committed to maintaining these high expectations.

Current Curriculum

Students in KS3 have two one-hour lessons a week and follow a timetabled programme of study. In KS4 students have three one-hour lessons per fortnight. Students choose activities from a wide range of contextual areas using an option-based programme. There is a strong emphasis on leadership within lessons at all age groups.

Students can opt to take Physical Education as a GCSE in Years 10 & 11. They study the AQA specification and our results are amongst some of the best in the school. KS5 students are able to study AQA A Level Physical Education or BTEC National Diploma in Sport. We also oversee the Excellence in Sport and Education Programme (ESEP) to support and develop the highest achieving sportsmen and women.

Years 7, 8 & 9	Students are taught in single-sex sets and study activities in blocks of 5 weeks: Netball/rugby, football, badminton, gymnastics, dance, swimming, athletics, striking games, table tennis, OAA and fitness. The programme tries to accommodate the differing needs and interests of the group, whilst fully utilising the facilities.
Years 10 & 11	Students are provided with 4/5 activities each half term and they choose the one they would like to take part in. The activities offered are varied and include football, netball, hockey, rugby, swimming, cricket, zumba, water polo, dodgeball, table tennis, Club Energy private gym, boxing and Sports Leadership. The teaching style emphasis is Sports Education based and participation and leadership is at the heart of many KS4 lessons.

INFORMATION FROM THE HEADTEACHER

Dear prospective applicant

Thank you for expressing an interest in the Teacher of PE & Sport vacancy at Prince Henry's.

Prince Henry's is an over-subscribed comprehensive school with over 1630 students (and growing!) – including around 320 in the Sixth Form. Our extremely positive Ofsted Report confirms us as a good school with outstanding student behaviour and outstanding leadership and management. Regardless of our current success, we strive for the continuous improvement of our educational provision so that our students are fully prepared for 21st century society. We serve the market town of Otley (in the Wharfe Valley) and the surrounding villages including Pool, Bramhope and Adel. The Wharfe Valley is a wonderful region in which to live and work. It is close to areas of outstanding natural beauty, yet also benefits from good transport links to key towns and cities across the country.

Prince Henry's Grammar School has a rich history dating back to its Royal Charter of 1607 when the core values of hard work, discipline, high achievement and 'virtue' were first established. Such high standards, in both the academic and broadest sense of the word, continue as the underlying principles of all that we do. Our behaviour and achievement policy, known as Positive Discipline, is central to this. The system rewards students for what they do well, whilst also providing a framework within which misdemeanours are challenged and sanctioned in a consistent manner. This results in the extremely positive attitudes to learning that exists amongst our students and helped secure the 'outstanding' behaviour and safety grade awarded in our Ofsted inspection. Prince Henry's is an enjoyable place to work and learn and we aim to appoint colleagues who share our commitment to high professional standards.

Our focus on equality and diversity has a significant impact on the philosophy and operation of the whole school. An international perspective is evident in all areas of school life and all colleagues are expected to deal with issues of global citizenship and equality through their role in school. Prince Henry's is the first high school in the area to have been awarded the British Council's prestigious International School Award on five occasions, and was the first high school in the country to be awarded the Global Schools Award at Level 3. Typically, over 400 students take part in one of a dozen or more foreign trips and exchanges each year.

Our commitment to promoting equality and celebrating diversity lies at the heart of our vision, and we have received national acclaim for our work in this respect. The school holds the highest level of the Stephen Lawrence Education Standard and is now engaged in supporting other schools to develop their own inclusive practices.

Extra-curricular and enrichment provision is rich and varied. There are strong sporting traditions (including rugby, netball, hockey, athletics and swimming) and considerable interest in outdoor pursuits through a successful Duke of Edinburgh Award programme. Music, drama and a variety of other activities also flourish. Many students also benefit from the high quality enrichment opportunities offered in most curriculum areas. The governors are anxious to appoint staff who will support the vibrancy of our school.

Prince Henry's has been designated as a National Support School by the DfE, and gained Sponsor Academy status in September 2018 subsequently forming the Collaborative Learning Multi Academy Trust in order to support the next stage of the school's development. The Trust is founded on existing partnerships and is in the initial stages of growth. We are proud of what we have achieved so far and excited about the future. Currently all teaching staff and all students in Years 7 to 13 have iPads as part of our "iPads for Learning" scheme. This is another example of how Prince Henry's is at the forefront of educational development and is actively planning for a sustainable future.

Of particular interest to new members of staff is the emphasis placed on high quality professional development. Prince Henry's is a strategic partner in the Red Kite Teaching School Alliance and as such we work with our partners to develop and deliver high quality CPL to staff in our own school and across the region. This ensures good access to development opportunities for our teaching and associate staff.

A number of services and benefits have been developed including such things as free coffee/tea at break time, parking, annual flu vaccinations, access to Cycle to Work and Computer schemes, corporate gym membership, staff takeaway meal service through Henry's Diner, long service awards and social events organised by the Staff Committee. There is also an opportunity for the children of staff to access the excellent education available at Prince Henry's in line with the Admissions Policy.

I hope that after reading the information about our school and the vacancy you will want to submit an application. Please clearly describe your relevant skills & abilities, knowledge and experience (see Person Specification) in the appropriate sections of the application form and explain why these make you an ideal candidate for this post.

Yours faithfully
