

The King's (The Cathedral) School
Peterborough

Teacher of Physical Education

(with a focus on Girls' PE)

Candidate Pack

Welcome from the Headteacher

Thank you for your interest in joining The King's (The Cathedral) School at this exciting time. We are currently looking to appoint a Teacher of Physical Education with a focus on Girls' PE.

The King's (The Cathedral) School enjoys a very strong reputation both within the city and the local region. As one of a small number of state schools with close links to their local Cathedral, our distinct Christian culture lies at the heart of the school. We are a single academy Trust, located close to the city centre of Peterborough, educating students from the age of seven to eighteen.

We are rightly proud of our student's academic achievements (progress is typically in the top 5% nationally for GCSE) but the educational philosophy at the school is far broader with students encouraged to take part in a wide range of extra-curricular activities including Music, Sport and Drama.

We are looking to appoint a well-qualified and passionate teacher to our excellent Physical Education team. This is an exciting opportunity to work within a high achieving school, with mature and well behaved students and where Physical Education is highly valued as a core subject. The appointed applicant will be part of a department that teaches all our students through to GCSE and retains strong numbers through to A Level.

For more information about the breadth of our offering and the school culture, we encourage you to read our Executive Self Evaluation Summary available [here](#) on our website.

Job Description

The newly appointed candidate will be working in a committed and successful team which regularly achieve success at city and regional level. We have invested heavily in our Physical Education facilities. Students have access to large and well maintained playing fields, a newly refurbished astro-turf, modernised changing facilities and a well equipped sports centre which includes its own fully fitted gym. The school has a strong tradition of extra-curricular provision which we are determined to maintain. Therefore, it is crucial that the applicant shares this commitment.

This post would suit an application from an early career teacher who would benefit enormously from strong mentoring, or alternatively from an experienced teacher who is looking to develop their skills in a new setting. The successful candidate will need to be able to teach across all age ranges and abilities. The ability to teach another subject would be desirable but not essential.

Key Areas of Responsibility

We are ideally looking for candidates with a specialism in Hockey or an enthusiasm for Cross-Country.

With a focus on Girls' PE, candidates should be comfortable teaching other key areas of the curriculum including Netball, Basketball, Dance, Gymnastics, Football, Badminton and Trampolining.

Candidates will also have an eagerness to contribute towards our extra-curricular programme, leading other sports across the curriculum in training and fixtures.

The King's (The Cathedral) School

The King's (The Cathedral) School offers a warm and friendly work environment with exceptionally well behaved students. Staff retention rates are high and staff morale strong.

Staff benefit from on-site fitness facilities and child admission priority. The school continues to look forward with significant recent investment in our sporting and catering facilities.

I would encourage all colleagues who are interested in the role to contact the school to arrange either an informal tour or a phone call with myself prior to submitting an application. We look forward to hearing from you. Please contact our office manager, Jo Baker (Baker.jm@kings.Peterborough.sch.uk) to arrange.
