Teacher of Physics

"Pupils thrive here. Leaders and staff work together to give pupils every possible opportunity to do well and enjoy their education"

'Outstanding' Ofsted judgement
October 2021

The Tiffin Girls' School Vision

'Our community is vibrant, curious, creative and inspires positive change. We dare to be wise.'

The school's motto *sapere aude* – **dare to be wise**, is embodied in its core values of *Community, Love of Learning* and *Character*.

Community:

- Collaboration
- Active Citizens
- Celebrate diversity

Love of Learning:

- Inspiration
- Embrace knowledge
- Creative & Critical thinking

Character:

- Integrity & Respect
- Courage & Resilience
- Independence & Initiative

From the Headteacher

Dear Applicant

Teacher of Physics, commencing 1 September 2025

Thank you for your interest in the post of Teacher of Physics at The Tiffin Girls' School. We are looking for someone who is knowledgeable and passionate about their subject, enthusiastic about teaching students who love learning, and is committed to contributing to the students' all-round development. I hope that the materials we have prepared help you to decide that you would like to apply.

Now in my tenth year as Headteacher at Tiffin Girls', I am still in awe of the wonderful culture and ethos that permeates this remarkable school. Our motto, *sapere aude - dare to be wise*, has been shared by generations of students, especially when singing the school song, and this motto underpins our vision: **'Our community is vibrant, curious, creative and inspires positive change. We dare to be wise.'**

Central to achieving this vision are the school's core values of **Community**, celebrating our diverse and inclusive community, promoting a culture of giving and encouraging students to be active citizens in society; a **Love of Learning**, inspiring students to be curious and to pursue their passions with freedom of intellect whilst being challenged to think creatively and critically; and **Character**, building resilience, confidence and independence with integrity and respect for others. With our students' commitment to these core values, we aim to be regarded as much for our academic results, as for being a school community that nurtures collaboration and giving back to society, and encourages engagement in a wide and diverse range of extra-curricular activities.

Our common values have been the foundation and quiet force behind our success. It's because the staff make the students feel valued and included, they provide great experiences and wonderful memories, they inspire them with their love of their subject and they promote effort that leads to success.

This year we have launched our new digital strategy and we have a staff digital working party. More information can be found on our website [here](#).

It is all our responsibility to ensure the students not only achieve highly, but also develop the knowledge, skills and confidence to enable them to go out and make a difference in the world, where they will demonstrate ethics, empathy and resilience.

Alongside this focus on our values, every member of this community is committed to safeguarding and promoting the welfare of all our students. We demonstrate our commitment through:

- maintaining an attitude of 'it could happen here';
- when concerned about the welfare of a student, always acting in the interests of the student;
- establishing and maintaining an ethos where students feel secure and are encouraged to talk and are always listened to;
- ensuring that all students know there is an adult in the school whom they can approach if they are worried or in difficulty; and
- including in the curriculum opportunities which will equip students with the skills and knowledge they need to stay safe from harm, to make informed decisions and to know to whom they should turn for help.

I hope that you are excited by what you read and see on the school's website, and that the opportunity to teach at this school is an appealing one. I look forward to receiving your application.

Headteacher

The Science Departments

Science at Tiffin Girls' is run through the separate Physics, Biology and Chemistry departments. In total there are 17 full and part-time teaching staff and four technicians across Science.

Courses

- In Years 7 and 8, students follow separate Chemistry, Biology and Physics courses. They have 1 x 1-hour lesson per week in each and are taught in Form groups.
- At GCSE, which starts in Year 9, the AQA specifications for separate sciences are followed. Each class has 1 x 1-hour lessons for each science per week in Year 9 and 2 x 1-hour lessons per week in Years 10 and 11.
- At A Level, the sciences are very popular. This year in Year 12 there are 59 students studying Physics and in Year 13 there are 31. Sixth Form Physics students follow the AQA specification.

Results

In 2024, 68% of Physics students achieved an A*/A at A level, and 82% achieved an 8/9 at GCSE.

Resources

- There are eleven well equipped laboratories.
- Each lab has IT provision including interactive promethean screens and all students in Years 7 – 11 have access to chrome books for all of their classes.
- Practical work is an essential element of the teaching provision here and in addition to the GCSE and A level required practical. We have integrated a breadth of practical work to enable students to develop laboratory skills and gain a greater depth of understanding of the material. Colleagues are encouraged to bring new ideas to develop our practical provision further.
- Each department has their own dedicated technician for KS4 and KS5.
- We use google drive and classroom within the department and when communicating work with the students.

Enrichment activities

- There is a strong emphasis on providing enrichment and extra-curricular challenge to the students. As part of this teachers facilitate the running of a wide range of clubs. These currently include: KS3 Science club, Crest awards, CANSAT and Olympiad group
- For KS3 we have Science Week, which involves a number of competitions and demonstrations for students to take part in.
- We aim to offer many opportunities for extra-curricular enrichment. Some examples of what we do for this include the Physics Senior Challenge for Year 12 and the Physics Olympiad for Year 13.
- We run yearly trips to Physics in Action and there are a number of extra-curricular clubs run both by staff and by sixth formers including an Engineering Club and IRIS research projects for Year 12.
- We take advantage of being close to London by offering students the opportunity to attend lectures, exhibitions and museums. For example, sixth formers attend lectures at the Royal Institution and the various colleges of London University, and many of them also attend the Summer Science Exhibition at The Royal Society.
- All three of the sciences run clinics for A-level students as well as talks/seminars for those interested in taking the subject further
- Science teachers play an active role in providing intervention to students outside lessons both in scheduled group sessions and on a one-to-one basis.
- Regular mentoring sessions are arranged on a one-to-one basis for any younger student who needs extra help in science. These sessions are run by our sixth form science students.

Our School

The Tiffin Girls' School, a selective state school and stand-alone Academy, is a vibrant and happy community where the students take centre stage. The school is currently home to 1,250 students, aged between 11 and 18, and is now into its 145th year. The school prides itself on encouraging students to aspire to excellence in everything they do, whether that be: academic excellence, a passion and enthusiasm for the creative and performing arts, sporting prowess, or student leadership. A broad and challenging curriculum sits alongside a stimulating and rewarding range of extracurricular activities, many of which are student-led, and these elements of school life combine to develop inquisitive, confident, dynamic and successful young people ready for their future lives as global citizens.

The students achieve highly because they are incredibly motivated, hardworking and focused. It is, however, the caring and strong pastoral system, complemented by the development of strong friendship groups, which makes them feel happy and safe, allowing them to flourish in their time here. The school also benefits greatly from a very positive relationship with parents, working together in our common aim which is to encourage and support the students.

The school is a six form entry selective school, with 180 students in each year group and over 350 in the Sixth Form.

There are spacious yet functional premises, which provide extensive facilities in all areas of the curriculum. Specialist teaching areas include thirteen science laboratories, three art rooms, two drama studios, Learning Resource Centre, music suite and a computer suite of two computer rooms, with bookable chromebooks and clusters of machines in design technology, music and science. There is a large assembly hall and a separate dining hall. Sports facilities include a Sports Centre, opened in September 2022, two gyms, an astro turf, resurfaced netball and tennis courts. Students in Years 7 to 13 bring their own chromebooks to school to ensure a seamless transition between home and school learning.

The school's proximity to London makes it possible for students of all ages to attend concerts, plays, theatre workshops, lectures, exhibitions, one-day conferences and international matches. The school makes good use of this facility as trips and activities outside of school form an essential part of the students' educational experience.

Parental contributions and fundraising have greatly enhanced the accommodation in the school. In the recent past, a new teaching block and Sports Centre have been added thanks to the support of our parents, which have provided significant funding when submitting successful capital bids.

Ofsted

In October 2021, the school was inspected by Ofsted using the new inspection framework introduced in September 2021 and judged to be 'Outstanding' across all categories with an Overall Effectiveness judgement of 'Outstanding'. Governors were delighted with this result which reflects the valued contribution made by every member of staff at the school. The full report is available on the school website here <https://www.tiffingirls.org/Our-School/Key-Documents.aspx>

Staff

The strong team of highly qualified staff has extensive and varied experience. Both teaching and non-teaching staff share a commitment to high standards of learning, discipline and care for the personal wellbeing of each student. Good liaison is cultivated with local feeder schools, community services, employers and with universities.

“Staff receive high quality training, including those who are new to teaching. Staff continually review and refine their practice. For example, staff have used research-led projects to focus on and boost equality and diversity. Staff feel valued. Leaders listen to staff and do their best to make workload manageable.” Ofsted 2021.

Opportunities for professional development are essential and care is taken to ensure all staff have access to training and new experiences through CPD based on needs identified through appraisal, or for whole school development. Where relevant, non-teaching staff are encouraged to join working parties, recent groups include Equality, Diversity and Inclusion and Behaviour for Learning. This year we have a digital working party with 4 sub-groups focusing on Teaching and Learning (Curriculum), Engagement of Stakeholders (CPD), Safeguarding, data management, privacy and policy and Collaboration and Partnerships.

Staff wellbeing is a priority within the school. There is an active Wellbeing Working party, supported by the Senior Leadership team, who identify and implement initiatives to support the positive and inclusive working environment. The latest initiative was focused on the refurbishment of the staffroom, which was completed last summer.

There is an active staff association, which arranges social activities throughout the year.

Admissions

The school operates a two-stage testing process for admission to Year 7. The Determined Admissions Arrangements for 2025 entry are available to read on the website.

In recent years, Governors changed the admissions criteria, promoting greater social responsibility by giving a priority to those living in the inner area and designated area who are from a disadvantaged background, both at Year 7 and Sixth Form entry.

We anticipate continuing to be heavily oversubscribed each year, receiving a large number of applications from academically able students.

Curriculum

“Leaders maintain high academic standards and provide a curriculum that extends far beyond academic study. Pupils flourish, both academically and personally”. Ofsted 2021.

The school provides a wide range of subjects that meet the learning and destination choices of our highly able students. Lessons are taught in one-hour periods over a 25 period week.

Our Key Stage 3 curriculum develops students' knowledge, skills and understanding, and lays the foundations for the courses students will then follow at Key Stage 4. All subject areas are enriched with a wide range of creative and stretch and challenge opportunities that are designed to enable students to reach their full potential.

In Years 10 and 11, subjects are taught across two periods per week. The exceptions to this are Maths (three periods per week) and English (four periods per week). The core curriculum includes English, Maths, Biology, Chemistry, Physics and a language with students then choosing three further options. All students receive a private study lesson and two PE lessons as part of their broader curriculum.

In Years 12 and 13, subjects follow A Level specifications, choosing 4 in Year 12 dropping to 3 in Year 13. In

Year 12, we offer a Higher Education Programme and a pastoral programme of activities designed to broaden their education as well as compulsory PE lessons.

Staff care passionately about the students, and we are acutely aware of the pressures that many high achieving students face. We have therefore developed a comprehensive evidence based pastoral curriculum, one period a week, which has been specifically written for our context and includes many guest speakers.

Sixth Form

Sixth Form students have many opportunities to enrich their educational and social experiences over the two years and many participate in charity and not for profit enterprises. They compete at national level in the Young Enterprise Company Programme – 2 teams with approximately 50 students, enrol on the Duke of Edinburgh Award Scheme Gold award, and take part in Chemistry and Biology Olympiads, Engineering Education Scheme, UKMT, debating, university challenge, Model United Nations and a wide range of other clubs and societies. Sixth Form students support and/or are extensively involved in contributing to Black History Month, our Time to Talk activities and lead on the extensive range of charity work the students are involved in. Alongside this, the students are encouraged to conduct work experience to support their personal development and UCAS applications.

Student leadership is actively encouraged and many Sixth Form students are school officers, prefects, subject associates and mentors for younger students in the school. Sixth Form students, for example, mentor and coach a large number of students in debating clubs covering all three key stages; all year groups compete in local and national competitions such as ESU and University Schools events.

While many of our students go on to Oxbridge (15 in 2024) and other Russell Group universities, a small number are choosing to study abroad or to take up degree level apprenticeships.

Location

The school is located in spacious and attractive grounds in a pleasant residential area which is bordered by the River Thames and Richmond Park. It is situated on the northernmost edge of the Royal Borough of Kingston upon Thames with easy access to road and rail networks. The nearest railway stations are at Kingston upon Thames (Zone 6), a fifteen minute walk away, or Richmond upon Thames.

Equality and Diversity

The school celebrates the diversity of its students and staff, and is fully committed to an ongoing programme of review of our equality and diversity practices to ensure all members of the school community are fully accepted and equally valued. We have a Stonewall award and as part of our commitment to an anti-racist strategy, the school is currently working towards an anti-racist school accreditation through the Centre for Race, Education and Decoloniality at Leeds Beckett University.

Safeguarding at The Tiffin Girls' School

In support of our safeguarding commitment, we undertake rigorous pre-employment, online searches and enhanced Disclosure and Barring service (with Barred List) checks on appointment. The school complies with the DBS Code of Practice and with the statutory guidance, Keeping Children Safe in Education, as updated from time to time. We provide regular safeguarding training and expect staff to be aware of, understand and act in accordance with school policies. On appointment, staff will be asked to sign up to our E-Safety, Health & Safety, Data Protection and Secure Data Handling policies and to our various Safeguarding documents. In addition, on appointment, all staff are required to sign their agreement to complying with the school's Code of Conduct. If any of the above raises any queries when you are considering your application, please do not hesitate to contact Claire Russam, HR Director on recruitment@tiffingirls.org.

Our safeguarding policy is available for you to read on our website at www.tiffingirls.org under the tab 'Our School' and the page headed 'Key Documents'.

Job Description: Classroom Teacher

Line of responsibility

The teacher is directly responsible to the Head of Department on curriculum matters and the Head of Year for pastoral issues.

Job content

The basic duties of a teacher are outlined in the current Teaching Standards. The Teacher shall maintain a good understanding of whole school curriculum, teaching and learning, assessment and pastoral policies.

Core responsibilities

- **Teaching:**
 - Plan work in accordance with departmental schemes of work , working collaboratively within the department which enables flexible and creative approaches to teaching
 - Take account of students' prior levels of attainment and use them to set future targets and inform planning
 - Set appropriate and challenging work for all students
 - Maintain good discipline by following the Behaviour for Learning policies and procedures
 - Ensure punctuality and establish a purposeful working atmosphere during all learning activities
 - Ensure effective setting of homework and provide comprehensive feedback to students
 - Identify and work appropriately with 'special educational needs', 'academically more able' and 'disadvantaged' students
 - Set work when required for absent students

- **Assessment, recording and reporting:**
 - Keep accurate records of students' work in line with school's Assessment and Feedback policy
 - Mark and return work set, including homework within an agreed and reasonable time and in line with the school's Homework and Assessment and Feedback policies
 - Use the school's marking scheme at all times; including guidance on literacy
 - Attend parents' evenings as required and keep parents informed about their child's performance and future targets

- **Pastoral work (Form Tutor):**
 - Follow schemes of work provided by Heads of Year or Senior Leadership Team
 - Being aware of the strengths and needs of each student
 - Undertaking regular tutor reviews with students, providing advice as necessary on strategies to develop key skills and achieve examination targets in all subjects
 - Monitoring and providing appropriate advice and guidance on individual student's progress in respect to attendance, homework, behaviour management and acceptable standards of conduct and appearance
 - Promoting high standards of behaviour and attitudes to work within the group
 - Promptly completing administrative tasks relating to the group
 - Other tasks appropriate to the tutor role; including creating a positive form environment

Post threshold teachers:

As a post threshold teacher, to act as a role model for teaching and learning, to make a distinctive contribution to raising standards across the school, to continue to develop own expertise, provide a sustained and consistent collaborative contribution to the wider work of the school, either internally or outside the school, proactively seek, create and lead on opportunities that have a demonstrably positive impact on creating an outstanding learning environment, and provide regular coaching and mentoring to less experienced teachers.

General:

- The teacher will be part of the school's appraisal scheme. They will have a team leader who will set agreed targets for the year. The team leader will monitor and review performance, including classroom teaching. The school will support the continuing professional development of all staff, to ensure that their expertise is being kept up to date
- Update knowledge at a subject and national level by keeping up to date on research and inspection findings and other pedagogical information
- Keep ICT skills updated to ensure effective use of technology
- Actively engaging with google classroom and other online platforms to share resources, set homework and communicate with students.
- Demonstrate commitment to own professional development
- Demonstrate commitment to the extra curricular life of the school
- Attend and contribute to key stage, subject, team and full staff meetings
- In relation to the school's strategic plan, contribute towards the goals and targets
- Maintain a professional interest in educational initiatives relevant to the teacher's subject(s)
- The post holder is required to support and encourage the school's ethos and its objectives, policies and procedures as agreed by the governing body
- To uphold the school's Staff Code of Conduct and policies in respect of child protection and safeguarding matters

The post holder may be required to perform any other reasonable tasks commensurate with a teaching post and in line with the school's terms and conditions.

This job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed.

This job description is not necessarily a comprehensive definition of the post and may be subject to modification.

Person Specification

	Essential	Desirable
Qualifications		
Qualified Teacher Status	✓

Demonstrable commitment to treating others fairly, equitably and with dignity and respect	✓	
Be able to work in a way that promotes the safety and wellbeing of students	✓	
Commitment to the school's safeguarding policies and procedures	✓	
Demonstrate an understanding of safeguarding responsibilities	✓	

Why teach at Tiffin Girls'?

Ms Afiyya Sami Chemistry Teacher, KS3 Science Co-Ordinator & Teaching & Learning Action Research Leader

“ I started my teaching career at the school as a NQT – I was a bit nervous about applying as I thought I might not be able to teach at such a highly academic school. But I realised straight away they're just normal students – they're very enthusiastic, fun and willing to do well. The school has always been very supportive – there are lots of training sessions, and I had the opportunity to observe experienced and supportive teachers in the department, which also helped develop my skills in teaching A-Level. I'm really enjoying teaching the A-Level syllabus because the students are very passionate about their subject and share the love of your subject with you. One of the nicest bits about working here is the great sense of community. It feels like a family that supports and encourages each other and like every family we stay in touch, we get together to share, remember and celebrate. The support and encouragement also led me to apply for (and gain) the role of KS3 Science Coordinator after completing my NQT year. ”

Mrs Laura Metcalf Head of History

“ I joined the school as Head of History and since then, have had the opportunity to become a temporary member of the Senior Leadership Team before starting a family. After that, the school has supported me by enabling me to become part time and then within that, being able to job share the Head of Department role. More recently, I have undertaken sole Head of Department responsibility while working four days a week. It's a special place to work – the incredible engagement from the pupils and their love of history, their quest to find out more at every level – definitely keeps me on my toes. I still continue to be blown away by the sheer excitement they feel about learning. I enjoy working with a very diverse teaching staff; the Humanities department is particularly close knit and welcoming. A personal highlight is going to the Himalayas with World Challenge which was something I'd never experienced before and a life-long ambition. ”

Mr Zidong Cui Maths Teacher & 2nd in Maths Department

“ I was a business owner before becoming a teacher but I was trained in a very similar setting (a top performing girls' grammar school) in my PGCE year so I knew what it would be like working at The Tiffin Girls' School. Initially, I did think I might struggle with the level of Maths taught here as the pupils are so able, however, since I started, the support I've had from the department has made things so much easier. The Maths department has so many experienced teachers from whom I have learned so much. The people definitely make it special working here. The staff are so friendly and supportive. The students work really hard and are so interested in the subject. I took over the Young Enterprise programme in my third year. Because of my business background, I was really excited to help the students develop their business skills through real life experiences. I've taken them to many trade fairs (as far as Stratford upon Avon) and competition finals, and we've won several awards together. But the best part has been to see the progress the students make in a year – they've all been brilliant. The school has given me many opportunities to develop myself – I've been involved in CPD sessions and policy-making working parties, and I've been given opportunities to teach all the year groups. ”

Benefits of working at The Tiffin Girls' School

All of our employees enjoy a range of benefits, with some specific benefits for teaching staff:

- Two week October half term
- Free tea and coffee in the staffroom – available all day
- Pleasant working environment on the outskirts of the busy town of Kingston upon Thames with easy access to London and the surrounding Surrey countryside
- Free on-site parking
- Cycle to Work Scheme (salary sacrifice)
- Enhanced Family and Parental leave and consideration given to flexible working where possible
- Employee Assistance Programme including free at the point of use counselling
- Free lunch and refreshments on Inset days
- A busy Staff Association who arrange social events
- Staff discount on hiring the school facilities (single booking only) <https://facilities.tiffingirls.org/>

Teaching Staff benefits:

- Membership of the Teachers' Pension Scheme: *the school contributes 23.68% of salary*
- Generous Teaching & Learning Responsibility allowances to recognise positions of responsibility
- The opportunity to participate in a wide range of working parties to enhance and influence working practices and pedagogy irrespective of your experience
- A structured CPD programme with elements of selective CPD so that you can tailor your personal development to meet your needs
