

Acorn
Education Trust

Teacher of Physics

Kingdown School

Welcome from Sara Edwards

Acorn Education Trust CEO

Thank you for your interest in one of our vacancies, I hope the information enclosed in this pack inspires you to apply.

Acorn Education Trust was established in 2014 to provide a local solution to a national strategy. We now serve 22 settings: 16 Primary Schools, 4 Secondary Schools and 2 nurseries.

Our mission is to 'prepare young people for their world in their time' and this sits at the heart of all we do. We strive for excellent leadership, excellent teaching and excellent learning. Our vision is to transform lives through education.

In every Acorn School, you will see:

- A** Active and visible leadership
- C** Care, support and challenge
- O** Opportunities for all
- R** Readiness to reach out
- N** Needs of all are paramount

Every Headteacher focuses on leading teaching and learning in their school. Central teams manage the business element of the Trust which allows us to share resources, improve IT and estates infrastructure and invest in school to school support. We are therefore able to direct as much money as possible into teaching and learning thus improving the life chances of all our young people.

Whatever role you are applying for, whether in a school or as part of the central team, we hope you can align with our vision and values, have the determination to succeed and are up for a challenge. In turn, we will provide you with a comprehensive and supportive induction programme, professional development and a career with Acorn.

We hope this information pack provides you with a flavour of working within our Trust and we look forward to receiving your application.

Sara Edwards

About Kingdown School

Believe. Aspire. Achieve.

Kingdown School is a co-educational, non-denominational secondary school, educating young people between the ages of 11 and 18 years. Located in the charming garrison town of Warminster, Wiltshire, we have a strong reputation in the local community and beyond, built on an unswerving focus on the quality of teaching and learning and great pastoral care.

Our school has a large and friendly team who are dedicated to helping each and every young person achieve their full potential. In 2022, we retained our 'Good' Ofsted rating and were praised for our strong moral leadership and for the wide range of opportunities that we have on offer to support students with their broader development.

As a founding member of Acorn Education Trust in 2014, we work closely with other schools within the Trust to provide the best possible education, opportunities and support for our young people, who are always at the heart of our decision making.

Our well-resourced school has a wide range of excellent facilities, including:

- Sports fields, netball courts, tennis courts, astro turf pitches, a gym and sports hall;
- Dance and drama studios;
- Interactive whiteboards and projectors in classrooms;
- Computer suites in most teaching areas;
- A dedicated sixth form building and suite of rooms;
- A large hall with full AV system and a stage for productions, events and concerts;
- An open-plan library with a wide range of reading materials;
- Subject area suites for science, design technology and art;
- Enhanced provision via our Link and Learning and Welfare Hub, plus a Behaviour Hub.

In a recent survey, 95% of our staff said they enjoyed working at Kingdown and felt well supported here – we value everyone at Kingdown.

Helen Carpenter
Headteacher

Department information

Science

Curriculum

Key Stage 3

- Students in Year 7 are currently taught in mixed ability sets. Students in Year 8 and Year 9 are taught in sets based on ability.
- Students engage in fun, practical lessons that deliver the principles of investigative science as well as core subject based content.
- Progress is monitored by end of unit tests, regular multiple choice tests and homework tasks designed to improve students core skills and knowledge.

Key Stage 4

- Students in year 10 and 11 can study:
 - Separate Sciences (Biology, Chemistry and Physics), taught by specialist teachers with five lessons for each subject per fortnight, or
 - Combined Science (AQA Trilogy) taught by two teachers with 10 lessons per fortnight.
- These GCSEs lead on to four options post 16; AQA Biology, OCR Chemistry, OCR Physics and AQA Level 3 Extended certificate Applied Science.

Key Stage 5

- Students in year 12 and 13 study A Level courses in Biology, Chemistry, Physics and Psychology as well as an Extended Certificate in Applied Science.
- We use different examination boards and regularly evaluate the content and assessment criteria of our A-level courses, selecting those that suit our learners.

Department accommodation and resources

The Science Department is the largest department in our school and is housed together in one block comprising 12 laboratories, three computer rooms, a large main prep-room and five smaller rooms. All full-time science teachers have their own room, computer as well as access to a wide variety of resource material.

Extra-curricular activities

We run a Science Club for the Gifted and Talented students. We also run a variety of extra-curricular visits, including Winchester Science Centre for Year 7, Marwell Zoo for Year 8, and GCSE Science Live for Year 10.

Department structure

The Department has a supportive, friendly atmosphere where new ideas and approaches are welcomed and openly discussed. Our forward-thinking teachers are supported by a team of technicians and each individual subject (Biology, Chemistry, Physics and Applied Science) has its own Head. We aim to make science lessons challenging, stimulating and fun and achieve this through careful planning and creating high quality resources.

Job description

Job title	Teacher of Physics
------------------	--------------------

Reporting to	Head of Science / Headteacher
---------------------	-------------------------------

Main purpose

The Teacher of Physics will:

- Fulfil the professional responsibilities of a teacher, as set out in the School Teachers' Pay and Conditions Document
- Meet the expectations set out in the Teachers' Standards

Duties and responsibilities

Teaching

- Plan and teach well-structured lessons to assigned classes, following the school's plans, curriculum and schemes of work
- Assess, monitor, record and report on the learning needs, progress and achievements of assigned pupils, making accurate and productive use of assessment
- Adapt teaching to respond to the strengths and needs of pupils
- Set high expectations which inspire, motivate and challenge pupils
- Promote good progress and outcomes by pupils
- Demonstrate good subject and curriculum knowledge
- Participate in arrangements for preparing pupils for external tests

Whole-school organisation, strategy and development

- Contribute to the development, implementation and evaluation of the school's policies, practices and procedures, so as to support the school's vision and values
- Make a positive contribution to the wider life and ethos of the school
- Work with others on curriculum and pupil development to secure co-ordinated outcomes
- Provide cover, in the unforeseen circumstance that another teacher is unable to teach

Professional Development

- Take part in the school's appraisal procedures
- Take part in further training and development in order to improve own teaching
- Take part in the appraisal and professional development of others, where appropriate

Job description continued

Duties and responsibilities cont.

Communication

- Communicate effectively with pupils, parents and carers

Working with colleagues and other relevant professionals

- Collaborate and work with colleagues and other relevant professionals within and beyond the school
- Develop effective professional relationships with colleagues

Personal and professional conduct

- Uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school
- Have proper and professional regard for the ethos, policies and practices of the school, and maintain high standards of attendance and punctuality
- Understand and act within the statutory frameworks setting out their professional duties and responsibilities

Management of staff and resources

- Direct and supervise support staff assigned to them, and where appropriate, other teachers
- Contribute to the recruitment and professional development of other teachers and support staff
- Deploy resources delegated to them

Safeguarding

- Work in line with statutory safeguarding guidance (e.g. Keeping Children Safe in Education, Prevent) and our safeguarding and child protection policies
- Work with the designated safeguarding lead (DSL) to promote the best interests of pupils, including sharing concerns where necessary
- Promote the safeguarding of all pupils in the school

Please note: This Job Description may be amended at any time in consultation with the postholder.

The Teacher of Physics will be required to follow school policies and the staff code of conduct.

Please note that this is illustrative of the general nature and level of responsibility of the role. It is not a comprehensive list of all tasks that the successful applicant will carry out. The postholder may be required to do other duties appropriate to the level of the role.

Support for our staff

Whether your role is in a school or the central team, you will be part of a caring team that will provide you with the support and challenge needed to fulfil your role effectively.

Continued Professional Development (CPD)

- A comprehensive induction programme for all new staff (across all roles), that includes mentor and peer support
- Statutory training on safeguarding, health & safety and GDPR
- Access to over 2,500 world-leading courses, webinars and resources via the National College online training platform
- Support for Early Career Teachers (ECTs)
- Role specific training for Designated Safeguarding Leads (DSLs) and Special Educational Needs and Disability (SEND) roles
- School based training, including mentoring and coaching from senior leaders within school and across the wider Trust; Cross phase and school to school support
- Subject communities, across primary and secondary level, to share good practice across the Trust
- Opportunities to role shadow
- Apprenticeships available at various levels across the Trust for multiple roles, including Teaching, Teaching Assistants, Nursery and IT Technicians

Health and wellbeing

- A strong culture of wellbeing across all schools and the central team
- Family friendly policies, including comprehensive flexible working policy, adoption leave policy, maternity and paternity (including shared parental leave) policies and staff wellbeing policy
- Access to [Care First](#), an employee assistance programme which provides confidential support on health and wellbeing, relationships, money issues, bereavement and loss, stress, anxiety and depression and much more

Pensions

- Teacher pension
- Local government pension
- Nest pension

Staff wellbeing is very important at Acorn Education Trust. We are consistently looking for new ways to improve our offering, and, regularly collect feedback at all levels to check in with our staff and ensure they feel supported in their role.

How to apply
