

Our school is one of six primary and secondary schools within the NEAT Academy Trust family of schools. At the heart of our trust is the aim to nurture, educate, achieve and transform the lives of all young people within the communities we serve across the North East. We have a national research school, which aims to build and strengthen networks of schools throughout the region and help them access effective education research and implement it in everyday practice.

Benfield School is a fully inclusive 11-18 school it has a distinct ethos with strong sense of support and loyalty. Excellent relationships between students and staff and a purposeful learning environment is evident in lessons and around the modernised site. With this foundation, students have a strong platform to be confident, happy and are able to achieve their aspiration.

We are seeking to appoint a talented and dynamic teacher of Product Design (Resistant Materials) with a proven experience of strong teaching and outcomes at GCSE and of working successfully with students of all abilities and who will bring experience of raising achievement to support the school's drive towards reaching outstanding at its next inspection.

We are looking for a teacher who can inspire and influence and who:

- Has Qualified Teacher Status
- Demands ambitious standards and high expectations for all learners
- Effectively manages own behaviour and relationships with others to provide appropriate support and challenge.

In return we offer:

- A positive and caring ethos.
- A team of hardworking, dedicated and friendly staff where everyone is valued.
- A commitment to continuing professional development
- The benefit of working in a highly collaborative multi academy trust
