PARTICULARS FOR THE POST OF:

TEACHER OF PSHE (Maternity Cover)

(A TLR may be available for the right candidate)

June 2024 (until the return of the maternity leaver)

TEACHER OF PSHE (Maternity Cover)(A TLR may be available for the right candidate)

Dear Applicant,

Thank you for requesting details for the position of teacher of PSHE (Maternity Cover). The post offers an exciting opportunity to teach and make a positive difference in our outstanding school, a converter Academy and the founding school of Moorlands Learning Trust (MLT). We very much welcome your interest and hope the accompanying information will encourage you to apply.

The successful candidate will join an ambitious curriculum area where standards and levels of student engagement are high. They will have high expectations, expert subject knowledge, a strong and positive work ethic and an unwavering commitment to all students achieving their full potential in PSHE. Working collaboratively as part of a dedicated and talented team, they will be inspirational to both students and colleagues, and will be committed to sharing best practice and contributing to the Personal Development of students, enrichment, intervention and the development of the department. This role is required from June 2024 until the return of the maternity leaver, which is likely to be March 2025.

This is an exciting time in the school's development. In July 2022 it was announced that IGS has been selected for the next phase of the national Schools Rebuilding Programme and will receive substantial capital investment to rebuild and /or refurbish parts of the school. This will have a transformative impact on the learning environment at IGS and will substantially reduce our carbon footprint. In addition, in 2019 we opened a 12 place School Resource Provision (SRP) for students with autism and we are planning to be able to offer additional places over the next two years, as part of our commitment to inclusive education and to meeting the needs of all young people within our community.

Indeed, whilst we have a long history dating back to 1607, we are a modern school with innovation at the heart of our vision as a learning community. We continually advance our curriculum to be responsive to student need and have rolled out iPads to all students to personalise learning and prepare them for life and work in the 21st Century. We also invest in the professional development of our staff to keep ourselves at the cutting edge of educational development.

We are very proud of our excellent reputation in the local community, as well as the wider Leeds and Bradford areas and pride ourselves on the quality of education we provide to our students. Our graded Ofsted inspection of March 2017 confirmed us as an 'Outstanding' school in all areas, where students "attain highly and make excellent progress", where behaviour is "exemplary" and where "teachers go the extra mile to make sure students achieve, feel cared for and thrive within a supportive and productive learning environment" (Ofsted March 2017). Our success was also recognised in The Sunday Times Schools Guide 2023 with Ilkley Grammar School ranked in the top two best state secondary comprehensive schools in the north of England and the highest ranked comprehensive school across the whole of West Yorkshire.

Since achieving our 'Outstanding' Ofsted rating, students at IGS continue to make excellent progress. Our 2023 A-level and GCSE results were very pleasing: 14% of all A-level entries were at A*, a third were at A/A* and 62% at A*-B. At GCSE almost a third of all GCSE entries were achieved at 7+, with almost 20% of all entries achieved at the very top grades 9/8. As a result, progress of all students at Key Stage 4 is above average with a progress 8 score of +.4 in 2023 and +.6 in 2022. Attainment at KS4 is significantly above average with 57% of students achieving a strong pass in both English and Maths. At Post-16, our 3 year ALPS score is a grade 1, placing IGS consistently in the top 5% of schools in the country.

As the founding school of Moorlands Learning Trust, we also play our part in the wider development of the Trust, where IGS senior and middle leaders have the opportunity to shape and drive forward the Trust's strategy and growth, as well as supporting colleagues across the Trust. Over the coming years, MLT is looking to grow the number of its partner schools and IGS will continue to play a key role in supporting this, whilst also driving IGS further forward.

As a comprehensive academy, our overriding aim at IGS is to ensure that our students achieve everything that they are capable of – their 'Personal Best' - from Year 7 through to Sixth Form and beyond. We recognise every student as an individual, with different needs and talents, and we work hard together to make sure we support and nurture successful, happy and confident learners who achieve in the widest sense of the word, and not just academically.

We deeply care for our staff as well as our students and take their wellbeing seriously, engaging regularly and meaningfully with colleagues at all levels. We are sensitive about the importance of managing

workload, and the school's commitment to evidence-informed practices and 'best bets' enables teachers and leaders to invest time and effort in practices proven to have the most impact on student learning. In addition, all staff have access to an Employee Assistance Programme, and we have an embedded programme of extra-curricular, voluntary 'Wellbeing Wednesday' sessions for staff to access across the school year. The school closes earlier for students on Wednesdays in order to accommodate these sessions as well as to facilitate whole school and departmental staff CPD.

Despite our considerable success, we are not complacent and our commitment to Personal Best means that we continue to drive school improvement in order to further raise standards. Consequently, this is a crucial role in our middle leadership structure, and we are looking for a talented teacher who can combine vision, strategy and drive to support our journey to being an exceptional school. We can guarantee high-quality support in the role, committed and effective colleagues, well-motivated and aspirational students, opportunities for partnership working and a very supportive community. In return, we will expect a positive and enthusiastic approach, emotionally intelligent leadership, an unwavering commitment to Personal Best and a passion for working with young people to make a positive difference to their lives.

If you are inspired by this opportunity and have the qualities to contribute to our high-quality provision, then we would be delighted to hear from you.

How to Apply

As part of your online application in the Personal Statement section (no more than 2 sides of A4) please explain:

ILKLEY GRAMMAR SCHOOL

PSHE Subject Profile

Our highly motivated and talented students are at the very centre of everything we do and the shared mission of all our stakeholders is to work together in partnership to realise the aspirations and ambitions of every one of our young people. Our academy is a unique and inspirational place to work, enhanced by our wonderful students.

Our ECT and CPD training programmes are highly respected by staff at the academy and are further enhanced by the various opportunities for professional development, provided through our flexible CPD programme and through our founder-member position within the Red Kite Alliance. The position is ideal for a teacher with a proven track record in providing high quality teaching in PSHE, Citizenship and RSE. All PSHE teaching staff receive half-termly bespoke CPD sessions.

PSHE lessons are taught once a fortnight for all students from Year 7 – Year 13 and PSHE is a valued subject which is part of the core curriculum of the school. The PSHE programme follows three strands of study: living in the wider world, health and wellbeing and relationships. Disciplines covered include the statutory RSE and health topics from the Department of Education guidance as well as topics from the Citizenship national curriculum. Some elements of the Citizenship national curriculum are delivered as supplementary sessions by the form tutor in PBT (Personal Best Time - extended form time) on a Wednesday morning. The school also has an incredibly strong wellbeing provision with a dedicated student wellbeing lead who works closely to ensure that the PSHE curriculum supports whole school wellbeing strategies and additional self-care sessions in form time.

PSHE Education at IGS develops the whole person and is essential to the Personal Development of students and our overall mission, encapsulated by our school motto 'Growing in Wisdom and Stature'. The PSHE curriculum is personalised, inclusive, age appropriate, rooted in research and is ever-changing to respond to emerging school-specific, local, national, and global patterns and trends. The PSHE department is a fast-moving, topical department, alive to the ever-changing world around us. Through the curriculum, we aim to inspire our students to understand their rights and responsibilities as UK and global citizens as well as developing the skills and attributes that they will need to be active, responsible, informed citizens in the ever changing local, national and global landscape.

Areas covered and discussed will also aid in students spiritual, moral, social and cultural development as well as their understanding of British Values and the IGS Personal Best Values. This will allow students to explore and develop their own values and attitudes and explore the complex and conflicting range of attitudes they will encounter now and in the future. Furthermore, students will be equipped with the knowledge and skills to speak up and speak out with courage in the face of injustice and discrimination, refusing to be bystanders and to celebrate diversity and treat others with tolerance and kindness. Educating students to be empowered by knowledge, will enable them to critically analyse their online and offline presence, evaluate the acceptability of a range of relationship behaviours, challenge and identify discriminatory views, develop their self-awareness, understand how to maintain physical and mental health and show courage and resilience to succeed in life in their chosen pathway.
