(End of Part 2)

PART THREE : RESPONSIBILITIES OF FORM TUTORS

Most staff will be Form Tutors or will be required to cover for absent Form Tutors. The role is a most responsible one and vital both to the efficient running of the school and successful pastoral care. For this aspect of work, a teacher is accountable to the Head of Year.

The Form Tutor should be the first person to whom a student will turn for help or advice, although it may sometimes be necessary to refer the matter to the Head of Year, the Asst Head (Care, Guidance and Support), a Deputy Head or, through them, even to an outside agency. It is through daily contact that unobtrusive care is exercised.

The main functions and responsibilities of the Form Tutor are:

1. Registration and routine business

Responsible for the accurate daily completion of the Register (an important legal document) and for seeing that all information kept in the Register is maintained up to date. Other returns of a routine nature should be dealt with as required, as well as the distribution of information to parents. All absence must be accounted for by notes and any not so covered should be reported to the Head of Year, in accordance with the Attendance Policy.

2. Reports and records

Referring any information of a confidential nature to the Head of Year, Asst Head (Care, Guidance and Support) or Deputy Heads. Commenting on Reports and Tutor trackers and covering aspects of achievement and personality which are not covered by academic reports. Participate in arrangements for completing Progress Files for students in your group.

3. References and special reports

Prepare, in consultation with colleagues, initial drafts for references, testimonials, reports to outside agencies and the like, as required.

4. Personal appearance, uniform and conduct

Monitor the personal appearance, uniform and behaviour of your students and ensure that high standards are maintained.

5. Student planners/diaries

Check and initial Student Planners/Diaries regularly and discuss their contents with students.

6. Tutor group time

This time should be used purposefully and profitably. The periods may be used for a variety of purposes including the above points and in addition: individual discussions, target-setting, appropriate activities as per flow of the year, group discussions around the suggested themes, appropriate advice and guidance.

7. Assemblies

Attend assemblies with your Form, sit with your Form and supervise their movement from base to the place of assembly.

8. Pastoral team meetings

In accordance with the calendar, attend meetings chaired by the Head of Year.

9. Relations with parents/carers

It is hoped that parents/carers would see Form Tutors at Parents' Evenings, Target Setting Day, and, whenever possible, Form Tutors will be involved when parents/carers visit the school at other times. Form Tutors are encouraged to foster good home-school relationships but are advised not to contact parents/carers without prior reference to the Head of Year.

SUPPORT PROGRAMME FOR NEW STAFF

Staff Welfare

Promoting staff wellbeing is considered highly important at Myton; the school has a very proactive Wellbeing group that is involved in ensuring the welfare of staff through activities such as Well Being events, providing “breads and spreads” in the Staff Room, offering Flu- vaccinations on site and liaising with the senior leadership team on matters such as the school calendar to ensure workload is managed.

There is also a team of trained staff listeners, who can be available at a mutually convenient time, to have non-judgmental and supportive conversations on a one to one basis to support colleagues.

We also subscribe to the Education Support Partnership Employee Assistance Programme providing staff with free information, support and advice, including telephone or face to face counselling.

Mentors and Buddies

All new staff will be ‘buddied’ with a friendly face in school. This person will be a carefully selected volunteer who will have your interests at heart. They will be a point of contact within your department or area in school and will be able to take you through some of the school systems and procedures on a one-to-one basis. They will also ensure that you are able to access the right training and people to ensure your induction is completed.

Newly Qualified Teaching Staff (NQTs):

You will have access to professional and dedicated support during your first year of teaching. The School and our approving body (Warwickshire LA) have drawn up a detailed policy outlining your entitlement and have ensured that procedures exist at all levels to provide appropriate and effective support where and when needed.

NQTs will have a Subject Mentor to guide them through the year and provide support wherever needed. Our Professional Mentor will discuss your training needs with you, carry out lesson observations and prepare a statutory online report to the Local Authority at the end of each term. Your Professional Mentor will also work closely with your Subject Mentor to ensure you are receiving the support you require. You will also have regular drop-in/surgery slots for discussion and support with aspects of teaching and learning, for example marking and feedback.

Training, support and assessment

Your Induction training will include the important basics including Safeguarding and Child Protection, Health and Safety, Data Protection and if appropriate, relevant software. In addition, there is a comprehensive annual programme of Twilight training sessions and all staff are invited to participate in any whole school training activities that they feel are appropriate to their needs.

All staff participate in an annual review process which provides an opportunity for an in-depth discussion with the line manager to agree work objectives and areas for future support as well as appropriate training and development.

The school is committed to providing the best possible professional support for **all newly appointed colleagues** Including regular monitoring, feedback and support.
