

# Applicant Information Pack

Dear applicant

I am delighted you are considering joining William Brookes and as Head I am proud to welcome you to our vibrant and successful school. We are the only Coubertin school in Great Britain and value our Olympian traditions. This is an exciting opportunity to make a significant difference to the life chances of our students. You will have an important role in building on our rapid improvement in recent years.

Our performance over the last few years has shown good attainment and achievement. Our progress 8 score has steadily increased, being regularly positive, and the performance of our pupil premium students is rising. Our most able students achieve exceptionally well and most ability groups make good progress, although our alternative curriculum limits the number of GCSEs and hence the P8 score of less able students. Governors are committed to the curriculum matching our student profile and hence around 50% take the English baccalaureate every year as well as modifications to suit less able students.

Please explore our website and read the additional materials included in this pack to find out more about us. The Job Description & Person Specification give you an indication of the scale and ambition we have for this post. If you have the determination to inspire excellence in young people, I would be delighted to receive your application. You are also most welcome to arrange an informal visit to the school and to meet with me.

Yours sincerely

Geoff Renwick  
Head

## The 3-18 Education Trust

Our Multi-Academy Trust (MAT) was established in 2016 with two schools, The Priory School (which acts as the lead school in our sponsoring MAT) and St Martins, a 3-16 school in North Shropshire. In July 2017, they were joined by Coleham Primary School, a 4-11 school in Shrewsbury. In March 2020, Thomas Adams, an 11-18 co-educational community school, sixth form and boarding house in the centre of Wem joined the Trust with William Brookes School joining on 1 April 2021.

The MAT provides a most interesting and exciting opportunity for schools to share ideas, resources and expertise, for the added benefit of the students in the Trust.

### **"The value of the individual, the benefit of the team"**

This statement heads our Strategy document and establishes the values by which we want our schools to work collaboratively. We are an evolving Trust in terms of our size and operation; in that as new schools seek to join us we look in turn to adapt the way we work together. In short, the leaders within the MAT are keen to receive expertise and share best practice. We want schools to retain their identity, character and ethos, all within the shared values of developing students who are selfless, self-assured and successful. The aspiration of the Trust is that every school gives and receives support and every child is in a great school.

Please visit our Trust website <https://www.3-18education.co.uk/> for more details.

## The School

William Brookes School is a mixed comprehensive school with **over 940 students on roll**, including over **100 in the Sixth Form**. Each September sees us oversubscribed in Y7 and the Sixth Form has grown by 50% in the last 2 years. We value the **specialisms** we hold in **Performing Arts** and **Maths & Computing** and continue to support their profile. The school always has an exciting feel to it, with a lot going on every term. We moved into our brand new school in September 2010 and everyone, students, staff and the local community, has embraced the fantastic ICT rich facilities we now have at our disposal. Our school is very much focused on the people who work within the building and we work hard on achieving our motto of "be the best you can be through courtesy, enterprise and endeavour".

Although situated in beautiful surroundings on the edge of the small rural town of **Much Wenlock**, we are far from being a sleepy rural school. We have **eight partner primary schools**, with whom we work very closely, but we draw from a much broader spectrum of some 25 or more primary schools, including some in Telford, Bridgnorth and Shrewsbury, as well as the **wider rural area of South East Shropshire**.

We are a **comprehensive** school in every sense of the word. Our **ability spread is wide and also well balanced**. The last few years have seen several of our students go on to Oxford and Cambridge but we also cater for students with quite complex special educational needs too. The socio-economic background of our students is equally mixed and we enjoy the same levels of support from parents from all sectors. Some children have moved to us from the independent sector, some students live in isolated communities and many live in our surrounding villages and towns, with some 25% coming from the immediate town of Much Wenlock and surrounding area, approximately 31% from Broseley, which lies to the south of Ironbridge and 17% coming from the neighbouring areas of Telford & Wrekin.

We offer:

- A robust and supportive induction programme
- Insightful and progressive CPD opportunities
- Strong and encouraging middle and senior leadership
- Wide ranging and exciting extra-curricular activities that everyone can get involved with

The school's dual specialist status as a performing arts and mathematics and computing college is judged to have contributed extremely well to the school's success through enabling it to offer an excellent range of cultural opportunities for students in which to participate and also to enable them to make an outstanding contribution to the wider community. The Sixth Form came in for particular praise, as well, with its "lively and purposeful environment", in which "students develop good social and personal skills and become confident and articulate young people" who are "extremely positive about the education they receive".

In order to strengthen our focus on teaching and learning, the whole school has been designed around four **Learning Zones**:

**Enterprise & Technology:** Maths, ICT, Enterprise, Business & Technology

**People:** English, Art, History, Psychology, RE

**Global:** Science, Geography, Government & Politics, Law, PSHE

**Performance:** Dance, Drama, Music, Film Studies, Modern Foreign Languages, PE

Each Learning Zones has common learning environment priorities and provides the base for one of the school's four Houses (Athens, Beijing, London and Sydney – the host cities of the first four Olympic Games of the 21<sup>st</sup> Century).

The 'Heart' houses the **Student Support Centre** (incorporating Inclusion, Learning Support and Student Support), Student Services, the Library, the Sixth Form (study centre and social base) along with administrative and clerical services.

**Sports, the Arts and extra-curricular activities** are all features of William Brookes. Our letterhead is indicative of the wide range of success and achievement including the renewal of our Sportsmark Silver accreditation and Artsmark Gold. There is a **joint use Leisure Centre** on the site. As the only "**Coubertin School**" in Britain we enjoy not only a rich cultural tradition that is derived from the life and work of our namesake, Dr William Penny Brookes, but also unique opportunities for Sixth Form students to undertake activities with partner schools from across Europe and beyond. Younger students are participating in student voice and leadership activities related to the Olympics and Olympic values. Our **Arts Centre, "The Edge"**, is located at the heart of our new school and it enhances our Music, Dance and Drama facilities as well as benefiting the wider community of this part of Shropshire and reflecting our great strengths in the performing arts.

Visitors to the school continue to comment very positively on the "**good feel**" and respond very enthusiastically to the school buildings and facilities. Relationships are good and most people - staff and students - are happy here. We pride ourselves on providing a **secure environment within which individuals can flourish** and the **Every Child Matters** agenda is prominent. Values are largely traditional, as are standards of discipline – behaviour and safety is generally outstanding. Our work on **student retention and inclusion** is a strength and a result of us working in partnership with the LA Children & Young People's Services and other agencies.

We consider ourselves very fortunate to work in a wonderful school with fantastic facilities in a beautiful location. We want William Brookes School to be a great place to learn and a great place to teach and hope that you will want to join us and be part of its exciting future.

## General Information

**We strive to be the “best we can be through courtesy, enterprise and endeavour”.**

With over 940 students on roll, William Brookes School is a successful school situated in the picturesque town of Much Wenlock. Approximately ten miles from the centre of Shrewsbury, the school serves a community of small villages and the bigger town of Broseley. Academic standards at the school are high and frequently among the highest in the county, thanks to highly motivated staff, children who wish to learn and parents who support them. Our high standards are maintained by caring and creating a climate of trust and mutual support between all who work in the school, ensuring all students leave with qualifications and skills needed for a successful life.

We have the privilege of being the only Coubertin School in Great Britain. We were awarded this prestigious status in 1999 when we were asked to become a founder member because of our strong links with the modern Olympics. Pierre de Coubertin, who is heralded as the creator of the modern day Olympic Games, was inspired by a visit to Much Wenlock in 1890 as the guest of Dr William Penny Brookes. Coubertin was a French philosopher who believed in educating the whole body and mind. We value this in our present school beliefs.

The school underwent a complete rebuild in 2010 making it the only school in the Shropshire local authority to have a building fully equipped for 21<sup>st</sup> century learning, although we continually look to improve our excellent facilities and resources for learning. In 2013 we became a Single Academy Trust and in April 2021 became a member of the 3-18 Education Trust.

We also have a large Leisure Centre, swimming pool and 3G pitch, which are jointly managed and available for use by students and staff during the day. We have a strong commitment to the Performing Arts and have excellent facilities inside the Edge Arts centre for public and school performances. These include a Dance and Drama studio, a Lecture Theatre and Cinema alongside the main Performance studio.

## Social Studies

During 2020-21, we formed a **Social Studies** department which includes RS, PSHCE, Psychology, Health & Social Care and Philosophy & Ethics. These areas are taught by 5 subject specialists with links to the teaching of PSHCE and RS at KS3 in a more integrated programme that connects the learning but allows for each specialism to be maintained at KS4. It would be highly desirable for the successful candidate to be able to teach GCSE and A level Psychology and potentially Citizenship at GCSE.

There are opportunities for team teaching and for accommodating visiting speakers for more than one group, with a 90-seat lecture theatre available on the ground floor. Some teaching spaces have interactive whiteboards ('Smartboards') and we have various devices available to support curriculum delivery including laptops and iPads. Resources are in plentiful supply and mainly electronic.

## Job Description

### Purpose of the Post:

- To teach Psychology at GCSE and A level
- To support the School's aims and maximise the achievement of all students in Social Studies

### Accountable for:

- Curriculum delivery and student progress and achievement, within the Social Studies department - and within the wider school, where relevant.

### Details:

We are seeking to appoint a talented, creative teacher who can provide inspirational and innovative learning experiences and who would be confident in the teaching of controversial issues within the programmes of study in both Psychology and PSHCE.

The KS3 PSHCE programme includes topics such as:

- Relationship and sex education
- Managing Risk – personal safety, substance misuse
- Finance and Careers
- Conflict and resolution
- Rights and Responsibilities

All students have one hour of PSHCE at KS4 to further develop their knowledge and skills building on the KS3 programme.

We are one of the few schools in Shropshire introducing a GCSE in Psychology, giving students an insight into human behaviour and what makes people 'tick'. They will explore topics such as memory, criminal psychology, sleep and dreaming. Not only does this give students a foundation in psychological ideas, processes, techniques and procedures, but also prepares them for a wide range of future careers in marketing, forensic psychology and occupational therapy, to name just a few.

A level Psychology students follow the AQA syllabus. In year 1 they cover Memory, Social Psychology, Attachment, Psychopathology, research methods and different approaches to explaining behaviour. In year 2, students look at Schizophrenia, Forensic Psychology, issues and debates within psychology and Gender.

You will also teach PSHCE at KS3 with possible combined elements of RS.

### Additional Details:

The successful candidate will also join Sydney Houses as a Tutor to a vertical tutor group of approximately 28 students, plus intervention tutors. You will display a commitment to ensuring students of all abilities work to the highest standards and are able to make excellent progress.

ICT permeates all that we do, with a mixture of interactive whiteboards and dual projection rooms. Each Learning Zone also has a range of hardware, from iPads to laptops as well as other devices that enhance the quality of lessons. We actively use our own portal as a communication and resource tool and have a real desire to build on this virtual learning platform for enhanced home access by staff, students and their parents.

## Key Responsibilities

### Curriculum:

- To teach within the Social Studies department, offering specialism in one area
- To contribute to team planning, implementation and reviewing of the curriculum within the framework of the National Curriculum, GCSE and A level programmes and to work with other staff to contribute to schemes of work, helping to build opportunities within the schemes of work for:
  - Teaching and learning
  - Assessment for learning
  - Meeting the needs of all learners
  - ICT
  - Enrichment and external links

### Learning:

- To maintain up-to-date records of student progress across all aspects of performance
- To ensure that students make good or outstanding progress in your lessons
- To deal effectively with behaviour, attendance and punctuality issues

### Assessment:

- To carry out the regular assessment and marking of your students' work, according to the departmental and whole school assessment and marking policy
- To keep records of your students' attainment and progress
- To monitor your students' achievement against school and national data and to take action to improve achievement and combat identified under achievement
- To carry out assessment and feedback

### Policy:

- To attend relevant meetings
- To undertake any other duties as reasonably requested by the Head and/or Assistant Head Teachers

- CVs will not be accepted.
- Appointments will be subject to clearance in respect of medical fitness and criminal disclosure.
- This post is exempt from the Rehabilitation of Offenders Act 1974 and as such any applicants who are appointed to this post will be subject to an Enhanced Disclosure from the Criminal Records Bureau before the appointment is confirmed. This check will include details of cautions, reprimands or warnings, as well as convictions and non-conviction information. Once provisionally appointed, the successful applicant(s) may also be required to apply for an Enhanced Disclosure at predetermined intervals during the course of their employment whilst in this post.
- William Brookes School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

The closing date for receipt of applications is 12.00 noon on Monday, 18 October 2021

Interviews will be held on Thursday, 21 October 2021

If invited for interview, **you are required to provide evidence of your qualifications and appropriate documents to initiate the DBS process** should you be the successful candidate.

If you have not heard from us within four weeks of the above date, please assume that your application has not been successful on this occasion. In this event, thank you for your application.

## The Curriculum

Our broad and balanced curriculum seeks to maximise the achievement of all our students. It meets the requirements of the revised National Curriculum and is also tailored to the specific needs, interests and aspirations of our students.

Our curriculum contributes to the spiritual, social, moral and cultural development of students. This is achieved through the taught curriculum and through the programme of enrichment activities which help to deliver key aspects of personal, social and health education, as well as citizenship. The curriculum provision is also supported by a strong commitment to impartial careers information, advice and guidance.

The final subject model will be based on recruitment numbers to ensure a financially viable curriculum.

As part of a student's programme of study, they will have an hour of tutor period and 4 hours of directed study each week, on top of work experience and other elements of voluntary work.

## Pastoral Care

### Student Welfare:

Student welfare is supported through vertical tutoring and the House system, both of which enable students to develop positive relationships with their peers and with students from other year groups in the school. Tutors monitor academic and pastoral progress, and act as a "Key Worker" - the main point of contact should the student, or their parent, have any concerns. Subject teachers may also be contacted about specific issues. Tutors are supported by House Leaders to whom they may refer issues such as attendance, progress or behaviour if these matters become more serious, or if they affect more than one subject.

### **Support for Learning:**

Sometimes a student needs more specialist care and support. The circle diagram to the right illustrates that this is available through a central facility and consists of three specific arms - Learning Support for particular learning difficulties or Special Educational Needs, Inclusion for emotional support and Behaviour Support when withdrawal from lessons is appropriate. These three departments work together to carefully identify individual needs, construct programmes which meet these needs and liaise closely with students, families and the wider school.

### **Our Support Partners**

**West Mercia Police - PCSO Stephen Dunne-Brown and Jessica Hindley's** roles as local Police Officers is to improve contact and communication with the local community; this includes involving themselves with young people, so being at school is the ideal opportunity. They provide students with advice on the law, and even careers within the police service.

**School Nurse** – provided by the local Primary Care Trust this services provides a vital link between health and education. A nurse attends school on Wednesday afternoons offering counselling and advice services to students. They are also involved in school vaccinations and training programmes related to particular students' medical needs.

### **Behaviour for Learning:**

Students are aware of the clear expectations regarding their conduct in and outside of school and we have an established system of rewards and sanctions to support behaviour. With support from parents, we work in partnership to instil the positive values of courtesy, cooperation, respect and equality to that they conduct themselves as excellent ambassadors for the school and the community. Positive praise and rewards are key tools for staff in maintaining motivation for learning and good behaviour at William Brookes School. A reward does not necessarily have a material profit and can be as simple as positive verbal or written praise. Rewards at William Brookes School are linked to the House system and competition between Houses.

Students are rewarded with House Points for a range of reasons including:

<b>Preparedness for Work</b>	<ul style="list-style-type: none"> <li>• Being fully equipped for lessons</li> <li>• Arriving on time</li> <li>• Is ready to start work quickly</li> <li>• Homework is completed</li> </ul>
<b>Attitude to Learning</b>	<ul style="list-style-type: none"> <li>• Active involvement in lesson</li> <li>• Completes all tasks</li> <li>• Involved in group work (willing participant)</li> </ul>
<b>Independence</b>	<ul style="list-style-type: none"> <li>• Willing to try things on their own first</li> <li>• Asks questions as well as answer them</li> <li>• Is resilient and willing to try again</li> </ul>
<b>Desire to Improve</b>	<ul style="list-style-type: none"> <li>• Completes all improvement foci (responding to comments)</li> <li>• Seeks support in and out of lessons</li> <li>• Work is completed to a high standard</li> </ul>
<b>Literacy</b>	<ul style="list-style-type: none"> <li>• Spells subject specific words correctly</li> <li>• Uses punctuation and grammar well in extended written tasks</li> <li>• Active listening so that all instructions can be followed accurately</li> </ul>

House Points are also awarded for participation in or contribution to extra-curricular activities, completing Accelerated Reading tasks or meeting the ideals of Baron de Coubertin. The House Points are recorded electronically on 'Class Charts' and link directly to the House competition and the rewards given as part of this.

Other rewards that can be given are:

- Postcards home from the learning zone (with a weekly focus for teachers on specific year groups);
- Heads Commendations (for exceptional work or effort),
- Other subject specific or tutor group rewards.

## Extra-Curricular Opportunities

At William Brookes School we believe in providing opportunities to nurture the “whole” person and therefore provide our students with opportunities to develop their character through numerous extra-curricular activities. February 2018 saw the school receive the Platinum Sportsmark in recognition of the tireless work the PE department has undertaken over the last 5 years to encourage student participation in after school clubs and sporting fixtures. We are one of only 20 secondary maintained comprehensive schools in the country to receive the special School Games Platinum Award which is part of the School Games Mark, a government led awards scheme launched in 2012 and administered by national charity the Youth Sport Trust, which had close to 9,000 applicants each year. Its aim is to reward schools for a commitment to the development of competition across schools and into the community.

### Lunchtime & After School Clubs:

As well as opportunities for students to extend their learning they may also explore other interests. STEM, ICT and Coding are just a few of the many clubs available for students to attend. In addition, the Performing Arts team offer Dance, Music and Drama and there are school teams for boys and girls football, rugby, hockey, cricket, basketball, netball, badminton and table tennis.

### Inspirational Visits:

Students from all year groups also have the opportunity to watch live sports events. In recent years, students have been to watch England play cricket at Edgbaston, football at Wembley and rugby at Twickenham. Throughout their time with us, students also have many opportunities to go on trips to support their learning such as in KS3 when they take a trip back in time and visit mock WWI trenches and the Worcester Commandery, in KS4 to visit art galleries and museums and in KS5 to visit the law courts to witness real hearings.

### Residential Experiences:

Students have the opportunity to participate in the following residential visits:

Year 7	Opal Coast, France
Year 8	Arthog Activity Centre
Year 9	French Exchange
Year 10	History/RS visit to Germany
Year 11	History visit to London

### Duke of Edinburgh Award Scheme

The prestigious Duke of Edinburgh Award Scheme is recognised by universities and employers for its emphasis on character building. Students from Y10 onwards can start training and preparing for a bronze, silver and ultimately gold award. Planning and organisation are essential skills but resilience and leadership are also developed through the demands of the programme.

### Inspirational Visitors:

Over the last 6 years, we have hosted visits by a number of sporting stars including Tom Davis (Wrestling), Mel Clarke (Archery) and Heather Fisher (Rugby).
