About Us

Weald of Kent is a selective Girls' Grammar School for 11-18 year olds with a roll of approximately 1900 students including our co-educational Sixth Form. The school is one of the highest performing schools in the country. We aspire to excel at everything we do. Owing to our continued success we are thrilled to have been given permission by the Secretary of State to expand and mirror what we deliver at our Tonbridge campus in a campus at Sevenoaks, which opened in September 2017. In addition to the exciting new facilities, we have also invested in our Tonbridge campus which now has a state of the art Sports Hall and university style Sixth Form Study Centre and a new science block has been built this year. Both campuses are situated in beautiful rural settings with far reaching views across the Garden of England with excellent transport links.

Results

We are, once again, exceptionally proud of the magnificent performance that has led to some wonderful results both at GCSE and A Level. Our examinations data from 2019 records the average GCSE grade was above a Grade 7 and our Progress 8 was well above average at 0.95. We also enjoyed superb A Level results with 67% of our students achieving A*-B grades in 2019. The average was a Grade B and our Level 3 value added was above average at 0.12. Our aim is for students to achieve high academic results whilst still affording them a platform to extend their personal qualities, talents and interests. Result statistics were not published for the 2020 or 2021 cohorts.

Staff Development Opportunities

We are passionate about staff development. Individual Development Plans are tailored to help and support staff in new positions, existing posts and preparation for promotion. A whole range of developmental and capacity building training is available, supporting staff to develop their skills and professionalism. This includes opportunities such as:

- Mentoring-Coaching programme
- Relevant external courses and training

The Team

Sociology is a growing department within the school. We are a supportive and collaborative department and we are always open to new ideas. We regularly reflect on our delivery to ensure our students gain the best experience and aim to enthuse creative problem solving so as to achieve academic excellence and personal success for all our students. Weald of Kent students are driven, inquisitive and committed to learning.

Sociology is a very popular A Level option and we fully expect this to continue. The department follows the AQA specification and is incredibly well resourced. Students very much engage with topics around attachment, memory and conformity. The course design fully prepares students for their further study of Sociology at university.

Psychology at Weald consists of a dedicated and enthusiastic team of specialists who strive to engage and excite students across all year groups. We aim to support and promote the development of the students in our care into independent learners who can think creatively in order to reach their full potential and to achieve outstanding results. We pride ourselves on constantly looking to push the boundaries, ever looking for new ways to enhance the learning experience of the students in our care. We are keen to try new things, to learn from others and constantly reflect on our practice to ensure the experience we provide meets the needs of our learners and prepares them to question, to challenge and be challenged, to enjoy and to succeed both at Weald and beyond. As such we are delighted that so many of our students go on to read subjects closely related to the discipline.
