

Hadley Learning Community (HLC) is a £70 million school that opened in September 2006 in Telford, Shropshire, just 5 minutes off junction 6 of the M54. The campus consists of a primary, secondary and special school within a very unique all through school.

When you visit, you will instantly feel the ethos of our school but in summary, we are proud to say that HLC is a truly fully inclusive school that is proud of its students and the community we serve.

In our most recent Ofsted, the school was graded as 'Good with many Outstanding features' with the highlight being comments on the outstanding care, guidance and support to all of our students. From 2014-2017, HLC was positioned in the top 100 schools in the country for progress which is an amazing achievement and we are now the 4th highest performing school in country based on similar cohorts. The staff and students of HLC take great pride in the superb facilities and work harmoniously together to produce a 'can do' culture of high expectations.

We are seeking to appoint an innovative and inspiring Teacher of RE and Humanities on a permanent basis (for the right candidate) to join our forward-thinking secondary phase from September. It is a fantastic opportunity to join an established and vastly experienced team that has excelled in so many areas.

This post is suitable for both experienced and newly qualified teachers and is an exciting opportunity for a dynamic, ambitious, and energetic individual. You will have the opportunity to deliver in Key Stage 3 and 4, ensuring that learning at HLC is exciting and our young people are engaged and motivated to strive for excellence.

The key benefits to working within our school are the relationships with both staff and students that will enthuse you to deliver fantastic lessons each and every day, however, you will also have your own dedicated large teaching room, laptop and appropriate software to support your delivery. You will also have free use of our health and fitness centre, four-court sports hall and 25-metre indoor swimming pool. Importantly, one of our key principles is to support your welfare, and as part of this we offer a comprehensive Employee Assistance Programme and assist our working families through an on-site nursery which several staff use to support their childcare provision.

We look forward to receiving your application.

Closing date for applications: Wednesday 29th June by 12 noon
