

RELIGIOUS EDUCATION AT BAYSGARTH

We are looking for an enthusiastic and dedicated Teacher of Religious Education to join our ICE (Identity, Culture and Ethics) team from January 2022. We hope to appoint someone who is willing to go the extra mile to inspire and support our learners on their life long journey from interacting and enriching their own lives as well as those around them, to instilling in them a sense of Respect, Responsibility and Resilience in everything they do.

All students at Baysgarth study Religious Education under the heading of Culture and attend regular timetabled sessions. The department is well resourced at KS3 (Year 7 & 8) and we ensure that our curriculum exposes students to a variety of experiences (both in and outside school), as well as the knowledge and skills that are needed for later life. At KS4 (Year 9-11) all students are studying and working towards AQA GCSE Religious Education (short course) with the department aiming to enrol future KS4 students onto the full course. The ICE department is currently moving towards an oracy focussed curriculum with the majority of lessons being book free, in the aim of improving the students' ability to speak openly and fluently within conversation. It is an exciting opportunity to be a part of.
