## About St Bede's

At St Bede's we are proud to serve roughly 1,850 boys and girls of all abilities, age 11-18, from the Reigate, Redhill, Caterham, Horley and surrounding areas. This includes over 300 studying academic courses in the sixth form. The school has an Anglican, Catholic and Free Church foundation and we work hard to create an inclusive ethos. Our aim is to ensure that pupils thrive academically, socially and spiritually within a Christian framework.

In January 2017 Ofsted carried out an inspection of St Bede's and judged the school outstanding in every category. The report acknowledged that pupils make exceptional progress in all year groups and in almost all subjects. Disadvantaged pupils and those who have special educational needs and/or disabilities also make rapid progress. The inspection highlighted the teaching in the sixth form as consistently challenging and as a result, students are motivated to learn and achieve excellent outcomes.

Attainment and progress scores at GCSE and A level are consistently above national averages. We are particularly proud of the English and Maths results achieved in the new 9-1 GCSEs. Both departments achieved fantastic results at 4 and 7 grades. St Bede's also saw a steep rise in the number of students achieving the English Baccalaureate.

Measure	2017	2018	2019
Attainment 8	54.9	57.6	58.27
Progress 8	+0.48	+0.68	+0.73

EBACC entered	74%	77%	84%

## RE department at St Bede's

We are seeking a teacher of RE to join us from September, on either a full-time or part-time basis. We invite applicants to indicate their availability on their application form.

**Please note, we will review applications upon receipt and as such, this vacancy may close earlier than the deadline stated.**

St Bede's has a thriving and enthusiastic RE department. You will be working in a very supportive team of experienced teachers, who are dedicated to the academic and spiritual learning and development of each student. The RE department plays a special part in leading and promoting the overall ethos of the school and aims to be at the forefront of its success.

As a core subject, all students are taught RE throughout the school, with all students sitting GCSE in Year 11. Pupils at Key Stage 3 study Christianity, as well as aspects of other major world faiths. In addition to core RE, students are taught in their respective denominational groups where they explore their beliefs, traditions and experiences, which contribute to an Ecumenical Christian view of the world. We aim to inspire all students to achieve their full potential and place great emphasis on securing students' success at GCSE.

We study AQA at both GCSE and A level. Many students choose to go on and study Religious Studies, Philosophy and Ethics at A level and continue with this subject at further education. There is also a compulsory RE course in the Sixth Form that aims to explore Philosophy, Christian ethics and moral decision making in the modern world. Results in 2019 at GCSE were 85% 9-4 with 41% achieving 9-7. At A level, the subject is popular and results strong.

The department works in close collaboration with our school Chaplains to create a variety of opportunities to learn and experience faith in and beyond the classroom. The school governors are deeply committed to the work of the school and to its religious life and education. We aim to be an example of a school working for Christian unity to the rest of the nation. Our RE team's strength is rooted in collaborative support with 7 full-time subject specialist teachers (including a KS3 Co-ordinator) that work together to share ideas, best practice, support each other and create engaging common resources with a bank of pre-existing materials to adapt from and make your own, as well as a commitment to explore your own varied practices to make learning in RE effective, accessible and engaging.

We would welcome applications from motivated, enthusiastic teachers, passionate about Religious Education and dedicated to raising standards of students' learning. It is important that you are supportive in our ecumenical approach and ethos which permeates through both the department and school. Applications are welcome from experienced teachers and from ECTs who would benefit from a comprehensive induction programme. If this sounds like you, don't hesitate to apply and we look forward to hearing from you.
