MPS/UPS**

“Pupils are polite and show respect to each other as they calmly move around the school site”
“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

If you are seeking a life in the country with easy access to Oxford, London and Birmingham The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks out for each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

As a consistently oversubscribed, expanding school we are seeking to appoint a well-qualified, enthusiastic and dedicated teacher of Religion, Philosophy and Ethics and PSHE to join our thriving and successful team. The Religion, Philosophy and Ethics department achieves highly, and staff hold high expectations for all students and work tirelessly to continue to raise attainment and achievement. This post will appeal to a Religion, Philosophy and Ethics teacher who is skilled at making Religion, Philosophy and Ethics relevant and engaging to a wide range of learners. Whilst not being essential, previous experience of teaching PSHE will support this application. You will be able to further develop your pedagogical practice through our Continuing Professional Development. Part time would be considered for an exceptional candidate.

A job description and application form is available from our website:
<https://www.thewarrinerschool.co.uk/vacancies> or Mrs Trish Morgan, PA to Headteacher at
recruitment.4007@warriner.oxon.sch.uk

This is open recruitment without a fixed deadline. We will invite suitable candidates for interview at the earliest opportunity after receiving applications, with a job appointment date as soon as possible after references have been received.

Please note we can only accept CVs as supporting documentation when submitted along with a fully completed school application form.

The Warriner School is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references.
