Welcome from our Headteacher

Dear Applicant,

Thank you for your interest in working at the Saint John Henry Newman School. I hope you find this information pack a useful introduction to our school. We are delighted that you see our school as a place where you can make an impact.

The Saint John Henry Newman Catholic School is a very distinctive community which unequivocally works to be a living Christian community in which each child and young adult is known and loved for who they are. We want our pupils and students to enjoy their education – to be happy, safe and secure and to grow in God’s love so that when they leave the school, they are equipped to change the world and make it a better place.

We firmly believe that our parents are the ‘prime’ educators and that our success is a result of the collaboration between parents, school and child working together for the good of the child. Our parents are encouraged to be fully engaged in their children’s education and there are many opportunities for parents to visit the school and contribute to their children’s adult formation and academic success.

This academic success has been acknowledged by the Department for Education, who have written to the school and acknowledged its excellent performance. Nick Gibbs, Minister of State for School Reform, commented that The John Henry Newman School is one of the top 90 schools in the country on one measure and in the top 100 schools in the country on another measure.

We are however very clear that our ‘Mission’ is to create an environment in which children can discover who they are and what their role in this life is. In the words of our patron, the Blessed John Henry Newman, we believe that “God has created us to do Him some definite service”.

Thank you for your interest in Saint John Henry Newman School. My colleagues and I look forward to reviewing your application.

Yours faithfully,

Clive Mathew – Headteacher

National ranked **TOP 100** comprehensive and partially selective schools.
248th TOP State Secondary including private schools.

We joined DoWAT in 2012 forming one of its 11 original schools. DoWAT is one of the **top performing** multi-academy trusts in the country.

In 2019 during our section 48 inspection we were rated as an **Outstanding Catholic School**.

Rated **Good** in February 2018 with **Outstanding** behaviour and safety of pupils.

Introduction of Our School

The Saint John Henry Newman school serves the North Hertfordshire Catholic community but our catchment area extends to Bedfordshire, East Hertfordshire and parts of Cambridgeshire. Originally, a 6-form entry School, the intake was increased to 210 in 1999 and increased to 8 form entry in September 2015. There is a high retention rate into the Sixth Form and many students apply to join our Sixth Form from other establishments. Consequently, the School has grown in size from 830 in 1993 to approximately 1600 in September 2022, with 400 students in the Sixth Form. The School became an academy as part of the Diocese of Westminster Academy Trust in 2012 and has benefitted from considerable investment in its buildings as a result, including a new £3.5 million Sports and Performing block (The Pavilion).

A major refurbishment of the school estate is currently being undertaken with the provision of two new blocks. This will include new teaching accommodation, a dedicated sixth form suite, a greater number of computer rooms and improvements to the Library, Dining and Hall facilities. Two existing blocks and some temporary accommodation are being demolished and the final phase of the works includes relandscaping the school site. The first of the new facilities was opened by former Headteacher Mr Kelly in October 2022. The second phase of the works is scheduled to be completed in October 2023.

Our Mission Statement emphasises the practical nature of our religious character. We seek to offer a living Christian experience as a community in which each pupil is valued as an individual and is encouraged to achieve success in school life. Our Chapel is a central part of school life but it is in the day-to-day operation of school life that the School sees its aims being fulfilled. We want pupils and students to enjoy the experience of being part of the Saint John Henry Newman Catholic School community, to gain in self-confidence and to become young adults instilled with a sense of personal responsibility, social commitment and, hopefully, an awareness of their own distinctive spirituality. We want them to be equipped to change their world.

The pupil population is almost 100% Catholic and the School is heavily oversubscribed for places. Although not all staff are Catholic (teaching staff 45.9% are Catholics), all maintain and support the distinctive Catholic nature of the School and support the Headteacher in implementing the School Mission Statement. There is presently the equivalent of 91 full time

members of teaching staff and there is a generous complement of support, technical, clerical and maintenance staff. Governors have for many years invested much of their revenue income to allow for relatively small teaching groups and relatively low contact ratios for teaching staff.

In years 7 to 9 pupils follow a broad and balanced curriculum based on the National Curriculum. Pupils in Year 10 and 11 follow a core curriculum of English, Maths, Science and RE with three subject choices. At Key Stage

4 we encourage students to follow the EBAC where this is appropriate, but we offer a wide range of GCSEs and the creative subjects (Art, Drama, Dance and Music) are very popular option. We offer a range of vocational courses for pupils for whom this is appropriate. Our current provision offers vocational courses in iMedia, Child Development, Catering and Sport. We have a large sixth form of approximately 400 students and there is a very wide range

of A-level provision. Advanced Vocational courses are also offered in Art and Design, Production Arts, Digital Music Production, Music Performance. Applied Science, Sport and Health and Social Care. There are currently 306 pupils on the SEN register, of whom 27 have an Educational Healthcare Plan.

The School has an excellent academic reputation. In 2021/22 the students achieved: 89% GCSE English and Maths at 9-4, 38% of all GCSE grades achieved were 9-7, 68% A Level at A*, A and B. At A-level the pass rate for the last three years has been over 99%.

The pass rate for Vocational courses has consistently been 100%. We are, however, conscious that we have the capacity to improve further and we are determined to do this on behalf of our pupils and students. Exam results, important though they are for opening doors for pupils in the future, do not determine success and happiness. Therefore, we have a strong enrichment and wellbeing program that encompasses every pupils and student and a comprehensive career curriculum. We have been awarded with the Kitemark for emotional health and wellbeing for our work supporting students, their families and staff.

The number of pupils entitled to free school meals is relatively low (3.5%) with 10% of pupils receiving Pupil Premium. The ethnic composition of the School's population reflects the community which it serves. It is predominately white British (57%) but with significant proportions of ethnic minorities reflecting the Church's world wide mission and the growing number of new migrantemployed primarily in health care and scientific research. Attendance is above the national average with very low unauthorised absence figures.

A Diocesan Section 48 inspection in November 2019 concluded that we are an “Outstanding Catholic School”.

The 2018 Short OFSTED inspection concluded; ‘We were immediately struck by the many smiling faces of pupils, who enjoy coming to school. When speaking to them, pupils universally highlighted how their teachers ‘go above and beyond’ to help them achieve well. Pupils display a real pride in their school. They talk enthusiastically about their strong relationships with staff and the sense of community where ‘everyone goes out of their way to be friendly and make you feel welcome’. Consistent with its aim of encouraging everyone to reach their full potential, the School places great emphasis on its pastoral care.

We operate at a very human level and recognise that it is our good and caring staff who sustain and develop our school. Our challenge is to maintain high quality provision, hopefully to continue to make changes to improve this, but above all, to honour the promise we make to every parent who chooses to send their child to our School - that each child will be recognised and loved for who they are and that they will be offered excellent learning opportunities in a safe, caring and inspirational environment. We are looking to appoint individuals who will enjoy being part of this distinctive community and who will contribute to it by sharing their individual talents, character and commitment and, hopefully, sense of humour!

The Saint John Henry Newman School is committed to safeguarding and promoting the welfare of children and young people.

All appointments are subject to a satisfactory enhanced DBS check.

Our History

The Saint John Henry Newman Catholic School was created in 1987 from the amalgamation of St Angela's and St Michael's schools.

St Michael's had begun its existence in 1903 having been founded by The Edmundian Fathers and later the Assumptionist Fathers as an Independent Catholic Boys School in Hitchin as St Michael's College. In 1968 the School became a State School and moved to new premises in Sandown Road, Stevenage.

St Angela's was founded in 1968 by the Sisters of Charity of Jesus and Mary as a Catholic Girls School. As with St Michael's (and in line with County Policy) the School was a five form entry school resulting in a school population of approximately 650 pupils and students.

As a result of demographic trends, the Governing Bodies of both schools (with the support of the Diocese of Westminster and the Local Authority) amalgamated both schools to form The John Henry Newman School in 1987.

The site of St Angela's was chosen largely because of its excellent accessibility; the St Michael's site was sold for housing development and the proceeds returned to the Diocese. In turn, a new science and technology block was constructed on the St Angela's site and a new chapel donated to the school by the Diocese.

In 1999, further new buildings (the Nash Building named after Barry Nash, first Headteacher of The John Henry Newman School) were constructed to enable The Saint John Henry Newman Catholic School to expand its intake.

The School has continued to grow and currently has approximately 1600 pupils and students (with approximately 400 in the Sixth Form)

The School is popular and highly over subscribed, achieving outstanding exam results and is acknowledged by the Department for Education as being one of the most successful in the country.

The Catholic life of our school community continues to be at the core of everything that we do and to be the reason why our school exists. Our pupils shine in every aspect of their lives; they are spiritual, powerful, creative and individual, each one of them inspired by God and talented beyond our comprehension and their own expectations. This is their time to discover who they are and what they could become, and our belief is that they could become anything that they wish to be - the page is blank. That is not to say that we have unrealistic expectations or aspirations for them, but it is to say that we believe that God's plans for them far exceed anything that they can imagine for themselves at this young age.

We believe that each child has his or her unique set of talents – these talents have been entrusted to him or her to be nurtured, developed and multiplied – not to be buried and forgotten. Each child must be given the time and support to become the person that God intended him or her to be. We believe in the need for developing self-respect – valuing our own identity and uniqueness and taking pride in ourselves and our achievements – learning to love ourselves as the person God created us to be.

A great challenge to which we aspire every day...
