We are looking for a passionate and motivated Religious Education specialist to join our vibrant Humanities and Enterprise Faculty.

Religious Education is an integral part of our faculty with the subject taught as a distinct subject. Students enjoy a range of topics. Sociology is taught at both GCSE and A level, with a successful track record. The Humanities and Enterprise Faculty has a well-established working relationship with other schools within the Abingdon Learning Trust, alongside other local schools.

You will be joining a vibrant, creative and experienced team in a key faculty. The Humanities and Enterprise Faculty brings together Business Studies, Geography, History, Religious Studies and Sociology, subjects enjoyed by students and integral to the life of Fitzharrys.

This is an exciting time to join us in our continued development. If you want to be part of a school with high aspirations for students and staff and want to contribute to each student achieving their ambitions, then we look forward to meeting you.

Please note that there is also a pastoral role advertised for a September start, if you are interested in this role too, then please see the school website.
