Our school is at the cutting edge of teaching and learning and thrives on providing outstanding opportunities for the young people we serve. All our staff work to provide our young people with the skills, knowledge and understanding in order to achieve their full potential.

Inspired by the example of St James, the purpose of our school is 'To educate and develop global Catholic citizens'. Our three school values of Family, Faith and Excellence are lived out every single day by staff, students and all stakeholders.

The reputation of our school is exceptional within Stockport and across the Shrewsbury Diocese for academic excellence, impeccable pupil conduct and for providing outstanding additional opportunities for our young people. The result is that our young people develop into global Catholic citizens who are proud to profess their faith and who make a positive contribution to society.

At the root of our success is our St James' community. This is built on strong, positive relationships between all staff, students and parents. Our parents support our school and develop their children at home whilst our dedicated staff are relentless in driving excellence by providing the best educational experiences and opportunities for our students. Underpinning this excellence are our unique values, Catholic ethos and our mission. We are inspired and driven by the Gospel where we are told: 'With God all things are possible' (Matthew 19:26).
