September 2023

Dear Candidate,

**Teacher of Religious Studies** (maternity cover, full time, commencing spring term 2024)

Thank you for your interest. This vacancy is for a teacher of religious studies as a maternity cover (dates of employment to be confirmed). The ability to teach up to and including A-Level is essential. I hope you will find the enclosed information helpful and that you will be encouraged to apply.

Ermysted's Grammar School is an outstanding, heavily oversubscribed voluntary aided grammar school for boys. The school has a long and proud tradition of academic success and each year our senior pupils leave for the most-competitive courses. Many of our recent leavers are now studying at Russell Group universities, commencing an apprenticeship, or starting a new career. Regardless of their destination, however, we are proud of the achievements of all of our pupils and of the role the school has played in shaping their character and wider abilities.

We are seeking to appoint an innovative and enthusiastic practitioner who has the passion and ability to promote ambitious standards of teaching and learning across both subjects. This pack includes the job description and person specification, as well as information about the school and the faculty. Further information can be found on our [website](#). For ECTs we offer a full programme of induction and support.

The closing date for receipt of applications is as soon as possible and no later **12:00 pm** (noon) on **Monday, 23 October 2023**. Interviews will be conducted shortly thereafter.

I hope that this document gives you a flavour of the role and what the school has to offer, but please feel free to contact me if you wish to discuss the opportunity further.

**Michael Evans**

## The School

Ermysted's Grammar School is a voluntary aided, selective boys' school for pupils aged between 11 and 18. The school prides itself on getting the best out of its pupils and Ermysted's is regularly ranked among the best schools nationally; however, an Ermysted's education goes far beyond the classroom and the school seeks to develop a much wider range of skills and attributes in its pupils.

### Location

The school serves a large surrounding area, including Skipton and the Yorkshire Dales National Park immediately to its north. A wide range of reasonably priced housing is available locally and Skipton is well served by its regular market and wide range of independent shops.

At various times, Skipton has been voted the *happiest place in the UK* (ONS Survey); the *best place to live in Britain* (Sunday Times), and the *best high street in the UK* (Academy of Urbanism). We wear our achievements modestly, though!

With its cobbled streets and 900-year-old castle, Skipton is a historic and enjoyable place to live. The local community is vibrant and active, with several cultural and social events taking place each week. Harrogate, Leeds and Manchester, are easily accessible and other popular attractions such as the Lake District and the North York Moors are relatively close by. There is even a direct train service to London.

### History

The school can trace its origins to the fifteenth century. Originally founded as a chantry school some time before 1492, it was re-founded in 1548 by William Ermysted. The school moved to its present location in 1876 and now occupies a green and wooded site about half a mile from the town centre. The original stone buildings have been added to over the years to provide modern facilities with comfortable and effective accommodation for teaching and learning.

Ermysted's enjoys an excellent reputation locally, and competition for places is strong. Selection procedures assess a candidate's aptitude in English and mathematics and their ability in verbal and non-verbal reasoning. There are 128 places available in each year group. Ermysted's prides itself on providing a disciplined, caring environment in which each pupil can develop his talents to the maximum. Competitive and non-competitive sport, music, outdoor pursuits, debating and drama are just a few of the fields in which pupils are encouraged to participate.

### Ethos and values

Ermysted's Grammar School seeks to provide an inspiring and enjoyable educational environment in which every pupil has the confidence, motivation and opportunity to fulfil their potential. We have the highest expectations of each pupil's learning, respect for self and others, sense of community, appearance, behaviour and discipline.

Our aims are for every individual to:

- achieve their full academic potential by participating in a rich, stimulating and challenging curriculum;
- be able to contribute to society as active, compassionate and responsible citizens; and
- flourish culturally, intellectually, morally, physically and emotionally through participation in a wide range of opportunities.

### Academic record

Attainment *and* achievement is high and consistently so; the most-recent value-added data places the school in the top 15% nationally (see the school website for details).

Nearly all our Year 11 pupils continue into further education, with the large majority remaining at Ermysted's to study for A-Levels. Each year several pupils from other local schools join our Sixth Form.

The school enjoys a strong reputation for supporting pupils through their academic journey and seeks to bring out the very best in them all. Many of our students progress to the competitive institutions in the UK and abroad (see the school website for details).

### School routine

The school week is fifty one-hour lessons delivered over a two week timetable. The school day for pupils starts at 8:50 am and finishes at 3:35 pm. Assemblies take place each week.

### The Curriculum

Ermysted's offers its pupils an exciting and engaging curriculum including a broad range of subjects at GCSE and A-Level.

In Years 7 and 8, the curriculum goes far beyond the requirements of the National Curriculum: all pupils study separate sciences and all begin French, German and Latin on entry.

The school operates a three-year KS4, with pupils required to take a language and a humanities option. The standard offer is ten GCSEs. The core offer includes mathematics, English language, English literature and the three separate sciences, and four optional subjects are chosen from art and design, food and nutrition, French, geography, German, history, Latin, music, physical education, religious studies, computing, and design technology.

In addition to these subjects, several non-examined courses are offered to KS4 pupils including statutory RS, careers, PSHCE, physical education and a weekly enrichment programme that includes non-GCSE courses in art, music, ecology, computer science, drama, emerging sports, *ab initio* Italian, medieval literature, digital media, classics, economics, and much more.

Most sixth form pupils choose to study three A-Level subjects (from a choice of twenty-two) with some opting to take four. The sixth form curriculum is supplemented by a lecture programme and other enrichment opportunities including volunteering, physical education and the Extended Project Qualification.

## Pastoral

The school places considerable emphasis on the care of its pupils. There is a well-established and effective pastoral care structure with most staff expected to be form tutors. General academic progress and all matters of pastoral care are, in the first instance, the concern of the form tutor who consults with the Head of School, Deputy Headteacher, or Headteacher, as necessary.

Form groups are arranged into the four houses in Years 7 to 9. Year 7 pupils are taught in form groups, but, elsewhere in the school, teaching classes are different to form groups to encourage wider relations among the pupils. Current class sizes average 32 in Years 7 and 8; low 20s in Years 9 to 11; and low 10s in the Sixth Form. Setting occurs in mathematics in Year 10 and Year 11 but generally all classes are mixed ability in the school.

## Extracurricular programme

Physical Education and team games enjoy a high profile within the school and Ermysted's has a proud tradition of success in many competitions. The main school sports are rugby, cross country, and cricket, though as pupils move up through the year groups, the opportunities broaden and many different sports proliferate. Our pupils have competed internationally in rugby, cross-country, and swimming; nationally in athletics, golf, hockey, fell running, and cycling; and regionally in football, cricket, and many other sports. The school has excellent facilities, including indoor cricket nets and an large climbing and bouldering wall on site; and access to extensive playing fields, additional tennis and squash courts, and a gymnasium off site.

A good range of non-sporting and cultural activities is available to our pupils beyond the school day, and many members of staff volunteer their time and expertise to foster the co-curricular life of the school. Examples include different musical ensembles; large cohorts at each level of the Duke of Edinburgh Award; several Young Enterprise teams; various subject-based enrichment clubs; junior and senior debating; and a celebrated student newspaper – *The Reason* – which has won 22 national awards in the past three years, including repeated recognition as the nation's best student newspaper. Assistance and expertise in these areas from new members of staff is always welcome.

## The Staff

The school has a very friendly, collegial and sociable staff, with colleagues from a variety of backgrounds, some joining the school straight from university, others after time in industry or after having taught at other establishments. What staff members have in common is enthusiasm for teaching and learning, and a genuine commitment to the school's values and ethos.

Staff well-being is an important consideration at the school. All staff enjoy at least seven hours of non-contact time per fortnight and administrative and data entry tasks are kept to a minimum. It is a long-standing policy at the school that email is restricted to working hours and staff are actively encouraged to maintain an appropriate work-life balance.

Nearly all staff have their own teaching room and access to dedicated Faculty or Departmental offices. The school invests heavily in technology, with each member of the teaching staff issued with a tablet computer, and interactive whiteboards or UHD televisions installed in every classroom. Staff workload is managed via the judicious use of IT software, simplifying core teaching activities and streamlining communications within and without the school.

Continuing professional development is enthusiastically supported at the school with a year-round programme of training. Staff are encouraged to pursue additional qualifications, including the suite of National Professional Qualifications (NPQ), and participate in regular subject conferences within local and national networks of similar schools.

New staff are supported to settle quickly into life at the school through a carefully designed induction programme. This includes informal breakfast 'meetings' with other recent arrivals on the staff to make contacts and learn of their experiences. Regular staff socials and an annual family BBQ take place each year to thank staff for their hard work and ensure strong relationships within the school community.

All staff have access to an employee welfare [programme](#), which includes subsidised gym membership, employee discounts and salary sacrifice schemes.

Staff parking is provided on site.

#### [The Foundation](#)

The initial Foundation for the school has been maintained through the centuries and is now managed as a registered charity by the Foundation Trustees. The Foundation own the grounds and school buildings and supports the school's activities financially through donations from pupils' families.

#### [The Old Boys' Society](#)

The Ermysted's Old Boys' Society is an extremely active group, bringing together alumni from the school's long history. The Old Boys take a keen interest in the progress of the school and contribute financially through fundraising to support the school's development. A calendar of events can be found on [www.ermystedsoldboys.co.uk](http://www.ermystedsoldboys.co.uk)

#### [The Friends' Association](#)

The relationship between the school and its parent body is excellent. The Friends' Association exists to support the school in its many distinct functions, and it organises a full and varied programme of activities throughout the year.

## The Faculty

This vacancy is for a teacher of religious studies. This is a maternity cover and thus the start and end date of the vacancy are to be confirmed. The ability to teach up to and including A-Level is essential.

The Humanities Faculty has eight teachers, spread across five subject areas (geography, history, religious studies, economics, and politics). The Head of Faculty is supported by two Assistant Heads of Faculty.

### Organisation of the Curriculum (Religious Studies)

Religious education is a popular, dynamic, and exciting subject that brings the absolute best out of all who study it. Our curriculum aims to challenge all pupils to explore a range of religious and non-religious topics. Pupils are encouraged to reflect on their own experiences and beliefs on both a social and personal level and will develop a variety of skills including discussion skills, thinking skills, empathy, and cultural understanding.

The department is well resourced in terms of both class textbooks, and religious artefacts. Enrichment is developed by visits to our local places of worship and through visiting speakers.

At Key Stage 3, we follow schemes of work from the North Yorkshire Agreed Syllabus. This covers the three main strands: *Believing* (Religious beliefs, teachings, source; questions about meaning, purpose and truth), *Expressing* (Religious and spiritual forms of expression, questions about identity and diversity), and *Living* (Religious practises and ways of living; questions about values and commitments). At KS4, we study the OCR GCSE Religious Studies (9-1 course).

We are proud of our statutory provision, where pupils follow the OCR Short syllabus. Although, not formally examined, our robust schemes and integrated assessments ensure a stimulating provision.

With one teaching group in both Year 12 and 13 also studying the OCR A level syllabus, our [curriculum map](#) shows evidence of spiralling knowledge and skills across years 7-13.

If you have any questions, please contact the Head of Faculty, Ms P Collins ([pcollins@ermysteds.uk](mailto:pcollins@ermysteds.uk)), directly.

To deliver services effectively, a degree of flexibility is needed, and the post holder may be required to perform work commensurate with the level of responsibility of the role not specifically referred to above.

Ermysted's Grammar School is committed to safeguarding and promoting the welfare of our pupils and young people. We have a robust Child Protection Policy, and all staff will receive training relevant to their role at induction and throughout employment at the School. We expect all staff and volunteers to share this commitment. This post is subject to a satisfactory enhanced Disclosure and Barring Service criminal records check for work with children.

## How to apply

Please read these notes before completing the application form.

1. Only applications submitted on the school's application form (click [here](#)) will be considered.
2. We would prefer you to fill in your application electronically and submit by email. (You will be asked to sign a hard-copy if appointed.)
3. Complete the application form **as fully as possible**. If there is insufficient room on any section of the form, please provide the additional information on a separate sheet. Please note that your application form will be photocopied for the Selection Panel; therefore, clarity is essential.
4. Please give the full name and title of both of your referees and ensure that the full address, telephone numbers and email addresses are included. Your referees will be contacted directly by the school if you are short-listed. It is our practice to take up references before interview, whenever possible.
5. Please submit your completed application form as soon as possible and no later than **12:00 pm** (noon) on the closing date to [recruitment@ermysteds.uk](mailto:recruitment@ermysteds.uk). The school reserves the right to appoint before the published deadline in exceptional circumstances.
6. If short-listed, you will receive either a phone call and/or email inviting you to attend for interview in person at the school. It is important that you give us a daytime telephone number and/or an email address that you regularly access so that we can contact you. If you require any assistance in attending for interview, please let us know in good time so that we may make appropriate arrangements.

It is not our practice to inform applicants that they have been unsuccessful in being called for interview. If you do not receive an invitation to interview, we thank you for your interest in the post.

7. We are fully committed to equality of opportunity and aim for our staff to reflect the school community. It will help us to monitor the success of our recruitment strategies if you complete the equal opportunities monitoring page of the application form. The information you provide will be treated as confidential and will not be made available to the short-listing panel.

## Pre-employment checks

Please note that any offer of employment will be conditional on the pre-employment checks being completed successfully.

The successful applicant will be required to:

- Provide details of two referees who know you in a professional capacity, one of whom must be your current Headteacher or employer. Employment is conditional on these references being deemed satisfactory.
- Provide proof of all relevant qualifications.
- Provide proof of eligibility to work in the UK.
- Undertake an enhanced DBS check and receive appropriate clearance. Please note that an enhanced check will include details of all convictions on record, whether spent or unspent under the Rehabilitation of Offenders Act 1974 (ROA).
- Complete a medical questionnaire and, if deemed necessary, undergo an assessment of their fitness to complete the duties as described in the job description.
