

Teacher of Science 0.4 FTE

with a specialism in either Physics (preferred), Chemistry or Biology

Fixed term to 31 August 2024

Job Type	Teacher of Science 0.4FTE
Salary	MPS/UPS: £28,000 – £43,685 pro rata

About the Role

We are seeking a well-qualified, lively, highly-motivated specialist and innovative thinker to further strengthen the provision in Science in this forward-thinking school. You will be able to demonstrate up-to-date knowledge of teaching, learning and personalisation strategies and be responsible for maintaining the highest quality of monitoring and evaluating, whilst improving the standard of achievement for all students. You will be confident in your abilities to teach effectively, with a specialism in either Physics (preferred) Chemistry or Biology is essential. You will be adept in creating a supportive, encouraging and safe learning environment for students of all diverse backgrounds.

About Skipton Girls' High School

We provide an excellent and challenging education which seeks to enable all students to make maximum progress in their learning and gain a great sense of personal development and achievement. We strongly believe in personalisation and encouraging enquiring minds. The school highly values the importance of developing a community environment in which mutual respect and individual talents are nurtured.

This is an exciting opportunity for a well-qualified Science teacher, with a specialism in either Physics (preferred), Chemistry or Biology. The successful candidate will be expected to play a full part in the academic, pastoral and social life of the school, to act as personal tutor and to take part in the school's programme of professional development.

We have a fantastic team of staff and you will be fully supported by an experienced faculty lead, who shares a vision of effective teaching and learning founded on collaborative planning, assessment and instruction, and who help each other to continually improve practice. We have an open-door culture and reflective ethos where we use lesson study to learn from each other all the time. This is a great opportunity to join a growing and thriving Multi-Academy Trust to develop your career. If you want to make a difference and are committed to improving life changes for children, we would love to meet you and show you around our fantastic school.

Further Information

For further information and an application form, please visit the Trust website at www.nsat.org.uk/vacancies. Completed applications must be returned to recruitment@nsat.org.uk. Applications must include a completed application form, for safeguarding purposes. A CV alone is not sufficient.

Closing date	9am Tuesday 10 October 2023
Interviews	To be confirmed

Northern Star Academies Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post requires an enhanced DBS Criminal check. Please note that in line with Keeping Children Safe in Education 2022, an online search will be carried out as part of our due diligence on shortlisted candidates.
