

Teacher of Science

Location: Longbenton High School, NE12 8ER

Salary: Main Pay Scale M1–M6

Contract: Full Time, Permanent (*Part-time applications will be considered*)

Start Date: September 2026

Closing Date: Monday 26 January 2026

Are you a passionate Science teacher who wants to make a real difference in a thriving, ambitious school? Due to continued growth in student numbers, and the expansion of our subject offer at KS5, Longbenton High School is seeking to appoint a high-quality Teacher of Science to join our successful and forward-looking department from September 2026.

This post would suit both experienced teachers and Early Career Teachers (ECTs). We are looking for applicants regardless of subject specialism. We have a strong track record of developing teachers at all stages of their career, underpinned by a robust induction, mentoring, and evidence-informed professional development.

Longbenton High School is a highly successful 11–18 school with a vibrant Sixth Form, housed in an exceptional modern, purpose-built building. We are proud to be a school where opportunity is championed and background is never a barrier to success. The school is heavily oversubscribed.

We can offer you:

- An exciting subject offer and the opportunity to teach from the following subjects across the department: Biology, Chemistry, Physics, Medical Science and Psychology (dependent on applicant experience and skills)
- A supportive science department and an ambitious, visible senior leadership team, committed to staff wellbeing and a sustainable approach to workload
- A modern, well-resourced building in a highly accessible location, close to Metro and major bus routes
- An evidence-informed CPD programme, tailored to individual career stages and aspirations
- A collaborative department and whole-school culture, where best practice is shared and celebrated
- A strong values-driven ethos rooted in our KIDMAP values: *Kindness, Integrity, Determination, Manners, Ambition, and Positivity*
- Outstanding support for ECTs and a genuine commitment to developing future leaders

This is an exciting opportunity to join a school on a strong upward trajectory, where teachers are trusted as professionals and supported to do their best work. Further details can be found in our recruitment prospectus on the school website.

Longbenton High School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will be subject to an enhanced DBS check. We are an equal opportunities employer and welcome applications from all suitably qualified candidates, regardless of protected characteristics.

To apply, please complete the **online Teacher of Science [application form](#)** by **Monday 26 January 2026**. Interviews will take place on **Tuesday 3 February 2026**.
