How we will succeed

Marine Academy Plymouth

Welcome from the Principal

Thank you for your interest in joining our community at this exciting time in the journey of our school. Driven by our passion for social justice, we are incredibly proud to have recently been rated 'Good' by Ofsted, and are now striving to become a beacon of national excellence, eager to redefine what is possible in education. Our mission is ambitious yet clear: to provide every student with the opportunity to get to and through university. By achieving this, we empower our students to excel in top careers and live the best possible lives.

To work here, you must believe in the importance of setting the highest expectations for both student behaviour and academic achievement. We believe that exceptional conduct is crucial to maintaining a safe and happy environment for all and we support our teachers in delivering an unashamedly academic curriculum, where they teach as the subject experts in a calm, purposeful environment. Equally, we believe that joy and community are just as crucial to our school culture. We encourage all staff to create warm, positive relationships and bring moments of joy to students. Our innovative rewards and celebration systems go above and beyond those of other schools, ensuring that students feel valued and recognised for their achievements. This balance of high expectations and a joyful, supportive atmosphere helps our students reach their full potential while building a strong, connected community.

At our school, we believe that the well-being of our staff is fundamental to our success. That's why we are committed to enabling a healthy work-life balance and providing ongoing professional development for all staff, at every level and in every role. We deeply value the contributions of every member of our team, knowing that a culture of collaboration is essential to ensuring our academy continues to improve and evolve. You will also benefit from being part of the Ted Wragg Trust, an ambitious and inclusive family of schools that shares our belief in the transformative power of education. Being a part of this network enables us to collaborate with some of the best leaders, teachers, and communities, further enriching our educational environment and enhancing the opportunities available to both staff and students.

If you share our vision and are passionate about making a real difference in the lives of young people, we would be delighted to welcome you to our school.
