Headteacher: Mr S Graham BSC, NPQH

Dear Colleague,

TEACHER OF SCIENCE: September 2024

St Edmund's is a thriving, positive and happy school, where individuals achieve excellent levels of personal development and outstanding academic achievement. As a Voluntary Aided Catholic School we seek to provide a Christian education for our children within the discipline and traditions of the Catholic church.

We are extremely proud of the quality of education, opportunities and life experiences that our children receive. This is only possible thanks to the fantastic staff who put students first and are committed to all aspects of the St Edmund's family. Our outcomes for students have been the best in Portsmouth and South Hampshire for several years. St Edmund's has been in the top 10% of all schools nationally for many years. We have been rated Outstanding by Ofsted in 2016 and June 2022 AND Outstanding in our Section 48 report in 2012 and 2023. This fantastic achievement reflects the special learning environment which exists here at St Edmund's, allowing students to learn and develop in a family where mutual trust, respect, collaboration and tolerance are fostered. Staff working at the school can enjoy their roles and reap the rewards of working with young people and educating the future generations of our world.

As a Christ-centred learning community we have a passion for developing the individual God given gifts which we are bestowed. We seek to improve curiosity, creativity and a passion for life long learning. In an environment with high standards and an atmosphere of order, discipline and respect. Our faith identity is not an add on but permeates all aspects of life at St Edmund's allowing individual, spiritual development in a positive family, where tolerance, love and mutual respect, a zest for learning are some of our guiding principles.

We are looking for someone with a commitment to the Catholic Christian ethos of the school, a capacity for hard-work and a passion for ensuring that students are successful both academically and in their educational experiences. Working with staff, students, parents and governors, you will have the enthusiasm, dedication and talent to continue to drive this outstanding family forward.

The School is looking to appoint a dynamic and ambitious Teacher of Science. The successful candidate will enjoy the support of an effective group of colleagues in a school committed to achieving the highest standards.

You will be well supported by a friendly, hard-working and talented team, fantastic staff and lovely pupils. You will have a key role inspiring young people to have a love of Science and perhaps study it as a future career. The role is full time.

The deadline for receipt of application is **Monday 19th February 2024**. These can be emailed to the school via: recruitment@saintedmunds.org.uk.

I very much hope that having read the enclosed details and looked at the school website, you choose to apply.
