Headteacher: **Mr S Norman, BA (Hons), NPQH**

TEACHER OF SCIENCE

We are seeking to appoint an imaginative, enthusiastic, and committed Teacher of Science to join this outstanding selective school for boys. The school is an Ofsted outstanding one, and this is a rare opportunity to join a friendly, collaborative and successful department in a genuinely high achieving school.

Our Science facilities are excellent, with eight well-equipped laboratories and the Science department itself is highly successful. The department achieve genuinely outstanding results at all Key Stages.

Science is allocated up to four hour-long lessons per week throughout Key Stage 3. At Key Stage 4, Science is taught in sets and we offer two routes based on aptitude with boys taking either separate award Science or the combined Science trilogy using the AQA specification. We also offer A Levels in Biology, Chemistry and Physics with all three very popular and firmly established options. For this post, all specialisms and stages of career can be accommodated.

The school is committed to safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed. This post is subject to enhanced DBS clearance and we would like the successful candidate to join us for a September 2022 start.
