

Teacher of Science (Summer or September Start)

Salary: MPS/UPS £28,000 - £43,685 TLR negotiable. Location: The Suthers School

Contract Details: Full time, Permanent, Term Time

The Suthers School are looking to appoint a talented and enthusiastic Teacher of Science to join a warm and compassionate environment where every staff member makes a significant contribution to the experience of our students.

Your main responsibilities within this role will be:

- Teach students within allocated classes, enhancing their learning and providing the opportunity for achievement for all students
- Planning and preparing tasks which challenge students and ensure high levels of interest during lessons.
- Monitor the academic progress of students within allocated classes and implement appropriate strategies to address underachievement.
- To assess, record and report on the progress and attainment of all students within allocated classes.

The Nova Education Trust is a cross-phase Multi-Academy Trust based in Nottinghamshire. The schools in our portfolio includes both secondary and primaries, working in a range of contexts. Our track record demonstrates our ability to deliver our core goal, achievement for every child.

The closing date for this role is 9am, Monday 17 April 2023. To apply for this opportunity please [click here](#) for further details including job description.

Successful candidates will need to undertake an enhanced DBS check
