If you are looking for an exciting career opportunity within a unique, popular and oversubscribed school, this could be your chance to shine. We are looking to appoint a dynamic and ambitious teacher of science who is passionate about helping every child succeed. The ability to demonstrate excellent subject knowledge and to consistently teach inspirational lessons is essential.

This is a fabulous opportunity for an excellent practitioner to join our forward-thinking science department. This unique opportunity to work in a school, where students have a positive attitude towards science and look forward to coming to lessons, also offers a wealth of opportunities for a professional. The school has an outstanding professional development programme and has a proven track record in supporting all of its teachers to continuously improve for the benefit of students.

The successful candidate will have the opportunity to teach KS3 – KS5 and to work alongside our dedicated team of science specialists.

We are heavily oversubscribed, indicative of the immense progress made by the school. We have high academic expectations and an aspirational ethos to transform the lives of our students. This is a wonderful opportunity for the successful candidate to join a talented, hardworking and supportive team who are committed to making sustained improvement.

Our school provides a wonderful learning environment for lessons and extracurricular activities including a dry ski slope and an animal care centre. We also have a brand new, well-furnished gym which is available for staff use.

If you are keen to find out more about this wonderful opportunity, or to arrange a visit to the school, please contact Charlotte Wells by email.

Wolverley CE Secondary School is committed to safeguarding and promoting the welfare of children and young people and as such expects all staff and volunteers to share this commitment.

All documentation relating to the vacancy can be downloaded from the school's website www.wolverley.worcs.sch.uk.

**The deadline for applications is Monday 4th December 2023, at midday.
Interview dates to be confirmed.**
