Welcome to MARK Education Trust

After operating as a Single Academy Trust for several years, we were delighted to become a fully functioning Multi Academy Trust when Uplands Academy joined our first school, Beacon Academy, on September 1st 2022.

Our trust's motto is 'ambitious for excellence' and this applies to all aspects of its work, including governance. From September 1st 2022, our trust moved from being a multi academy trust operating as a single academy trust, to a fully functioning multi academy trust containing our two East Sussex based secondary schools, Beacon Academy in Crowborough and Uplands Academy in Wadhurst.

Our trust's mission statement is:

MARK Education Trust provides the best possible education for our students, preparing them for life, so they can stand equally alongside their peers, locally, nationally and globally.

The guiding values of MARK Education Trust are:

M – Motivated: to create exceptional, caring and safe educational establishments
 A – Ambitious: high expectations of staff and students
 R – Resourceful: ensuring efficiency and value for money
 K – Knowledgeable: valuing learning for life

Our vision

MARK Education Trust will create:

- Schools with their own strong identity underpinned by shared values
- Schools with expertly taught broad and balanced curriculums which give students the knowledge they need to further their education and thrive in adult life
- Schools which through collaboration constantly improve so that they are recognised for their outcomes at a local, regional and national level
- Schools which are the school of choice for their community and the employer of choice for the best professionals
- Safe and happy environments which enable students and staff to thrive and succeed
- Governance, leadership and management which is robust at all levels, ensuring that the trust is fully accountable to its stakeholders
- A strategy of 'growth with care', ensuring that the trust is able to meet the needs of and invest in its own academies as well as the capacity to support further academies

Letter from our Executive Headteacher

Post of Teacher of Science

To support our growing and expanding school, we are seeking applications from a dedicated, hardworking, highly skilled and knowledgeable teacher to join our Science department, within a highly successful, happy, well-resourced, exceptional non-selective 11-18 school.

Context

We are a split site, semi-rural, mixed 11-18 non-selective converter academy with approximately 1520 students, including over 220 students in our Sixth Form. We are situated centrally in Crowborough on the outskirts of the Ashdown Forest, an area of outstanding natural beauty. We are close to Tunbridge Wells and the South Coast. The vast majority of our staff travel to Beacon from a variety of destinations within the South East, including Brighton, Eastbourne, Lewes and Tunbridge Wells.

Our catchment area generates our truly non-selective intake, both in terms of ability and socio-economic background. We are an oversubscribed school. We draw students from more than 10 primary schools in Crowborough and the surrounding areas. We also attract applications from an increasing number of students outside of our catchment area, however, due to our oversubscription we are generally only able to offer places to those within our pre-defined community area.

Our sixth form provision is accommodated entirely at our Green Lane site, an 800m five minute walk from our main Beeches site which accommodates years 7-11. We are immensely proud that we retain a high proportion of our Sixth Form students from Beacon Academy as well as recruiting students from other local and international schools.

Vision, culture, expectations and outcomes

Our vision is to provide the best possible education for all of our students and to be ambitious for excellence in all we do. Whether a member of staff, trustee (governor) or student, we all work relentlessly to inspire and believe in one another to achieve our ambitions and succeed in life.

At Beacon Academy there is an expectation that as staff and students, we will work hard, be ambitious, self-motivated, inquisitive, resilient and determined to succeed. Our students work incredibly hard, are polite, respectful, well behaved, well presented and ready to learn. They are expected to be caring, considerate and tolerant in lessons, social time and whilst travelling to and from school. These areas are reinforced and adopted positively by staff and students alike – there is a tangible sense of pride in being part of Beacon. Our students are meticulously supported by our experienced, loyal, highly skilled and highly effective team of staff. This includes a dedicated, non-teaching Student Support Team consisting of a Head of Year (teaching staff) and an Assistant Head of Year (non-teaching staff) for each year group who support them throughout their time at Beacon Academy.

The rigorous focus on all of our students as unique individuals is paramount. There is an unprecedented determination and commitment from everyone who works at Beacon that they will succeed. We work diligently on our unapologetically high expectations and standards, allowing us to foster exceptional relationships in an environment that is consistently calm, safe, happy and orderly. I have no doubt that the combination of this with our broad, balanced curriculum and outstanding teaching contributes significantly to our sustained improvements across the board. Our latest A-Level and GCSE results are testament to this and to the teamwork of our phenomenal students and staff.

In 2019 we were immensely proud and delighted to be celebrating the best ever A-Level and GCSE results in our sixty year history, and we found ourselves once again significantly above county and national averages. These results placed Beacon Academy as the top performing school in East Sussex and one of the top performing schools nationally.

Exam Success (last published results 2019 due to COVID)

As confirmed by the Department for Education's national league tables, in 2019 Beacon Academy was the number one school in East Sussex for the third year running under the headline Progress 8 measure, in first place in Sussex overall and in the top 1.8% of all schools nationwide.

Progress 8 is the Government's main performance measure and reflects the value that schools add to the progress of their students in respect of their final GCSE grades, compared to that of their peers of similar prior ability across the country.

In 2019 our Progress 8 score was 0.97. As a non-selective, non-denominational, non-fee-paying school, we are immensely proud and delighted to have received this confirmation, once again, of our high-ranking position. We are in an esteemed group of 6% of schools nationally who are now categorised as 'well above average' for two years in a row. There are approximately 25 schools nationally who have been above us for each of the last three years (0.7% of all schools). As ever, this is a reflection of our vision and our determination to consistently provide the best possible education for all of our students, and to become an exceptional school for our community, both locally and nationally.

We are incredibly proud of our Sixth Form students. Amidst significant national changes to the structure and content of A Levels, they have achieved some excellent results and 94% of those who applied to university were accepted at their first choice institution.

Our results for 2019 show an increase in all A Level and GCSE attainment measures. Please note that due to the pandemic, we are not able to publish our 2020 results, however we would have continued and sustained our upward trajectory for both our GCSE and A Level outcomes.

To apply

Once again, thank you for your interest in the post of Teacher of Science. Further details are provided in this pack on how to apply for this role. Completed application forms should be e-mailed to the HR Department at hr@beacon-academy.org

Staff Testimonials

Beacon Academy is an amazing place to work because of the friendly and helpful staff, there is a strong culture of collaboration and support that allows everyone to develop their practice. The strong focus upon CPD provides everyone the opportunity to learn the latest cutting-edge developments in education and this is a major benefit for anyone wishing to further develop their practice. Our facilities and new technology allow us to provide engaging lessons to provide our learners with the perfect learning environment.

I would recommend Beacon Academy to anyone wanting to teach in a school that favours aspirational ethics and outstanding practice, because there are so many opportunities for ambitious staff who are keen to collaborate, develop and share best practice in order to progress in their career.

Senior Deputy Headteacher

I have thoroughly enjoyed coming to work at Beacon Academy. The commitment and dedication from the staff to ensure students are achieving, and going above in and out of lessons is amazing to see. As an NQT I received so much support from other members of staff and feel like I can ask anyone for help. The commitment and extra time given to the students is what makes Beacon such a good school to work in.
