Staff support, wellbeing and CPD is really important to us here at Wright Robinson which was reflected in our 2021 Ofsted report:

"Staff are exceptionally proud to work at Wright Robinson. They benefit extremely well from leaders' genuine desire to manage workload and care for their well-being. Leaders provide extensive opportunities for teachers to access subject training and to work collaboratively."

We have over half a century's experience in educating young people which is illustrated through our results in public examinations, where our students consistently perform at rates significantly higher than the expected norms.

Students are taught by academic specialists with a passion for their subject, creating an environment where our students

believe that anything is achievable. We place great emphasis on creating leaders, whilst recognising the need to work co-operatively with others.

Our 'Team Ethos' permeates all aspects of college life, a life which here at Wright Robinson is so much more than what happens in the classroom.
