FITZHARRYS SCHOOL

"A very caring and supportive community where pupils flourish"
"Passionate about wanting the very best outcomes for all." Ofsted

Post: Teacher of Science

Salary grade: Main Scale or Upper Pay Scale if post threshold

Contract: part-time 0.4 fte – one-year fixed term post

Start date: September 2021

Closing Date: Applications processed on arrival

We are looking for a passionate and motivated Science specialist to join our vibrant Science faculty.

Science is a key faculty within the school and a popular choice at A level. We have a well-resourced Science block, with 7 laboratories, a computer room and technicians supporting our Science teachers. Students follow the Activate KS3 programme and then the AQA syllabus at GCSE (combined or triple). We also teach A level Biology, Physics and Psychology. The faculty runs many trips and projects that link with local schools and Science organisations.

This is an exciting time to join us in our continued development. If you want to be part of a school with high aspirations for students and staff and want to contribute to each student achieving their ambitions, then we look forward to meeting you.

Will Speke, Head of School
