

TEACHER OF SCIENCE
Main Scale/UPS
Full-time or Part-time considered
Required from September 2022

Cromwell Community College is a good school, which aspires to be an outstanding school. We look to our Science Faculty to be a driving force towards this aspiration.

We are looking to appoint an inspirational Science teacher to join our team at Cromwell Community College. We are a popular, growing and successful school. The Science Faculty is large and offers successful courses at both GCSE and A-level. Results in science are on an upward trend and we are looking for an innovative and inspiring teacher to teach science at KS3, KS4 and possibly KS5. The successful candidate will be offered plenty of opportunity to teach across the full age and ability range. This is an excellent time to join the faculty to support the college's drive to become outstanding.

We are a popular, oversubscribed and successful school. We are currently undergoing a large expansion of the secondary phase by 1FE, but we are also the first all-through (4-18) school in Cambridgeshire. It is imperative that we ensure our pupils access a curriculum, which is relevant and ambitious throughout their journey at Cromwell.

If you are enthusiastic, ambitious and passionate about science, recognise its importance for the development of all pupils and will strive to provide excellent results in our already successful faculty, we would like to hear from you.

Cromwell Community College offers the chance to join a strong and experienced team and for you to develop your skills and enhance your career development through a wealth of CPD opportunities.

The Academy and the Trust are committed to safeguarding and promoting the welfare of all children and young people. We expect all staff to actively share this commitment. All appointments will be subject to the taking of satisfactory references and enhanced criminal record clearance in line with the need to create and maintain a safe culture in our recruitment.

Applicants are thanked for their interest in Cromwell Community College. Please note that only candidates shortlisted for interview will be contacted. We are unable to accept CVs.
