

ABINGDON LEARNING TRUST

We are a friendly, caring and inclusive community:

*Proud of our creativity
Passionate about learning
Keen to inspire
Valuing ourselves and each other
Determined to be the best that we can be*

Teacher of Science

Salary Grade: MPS/UPS (if post threshold)

Contract Type: Permanent Part time (0.4-0.7)

Closing Date: Wednesday 25th May 9.00 am

Interview Date: Friday 27th May but should a suitable candidate be identified before the closing date, the vacancy may be closed early.

Start date: September 2022

The science faculty at John Mason School is research informed and has developed a knowledge rich curriculum offer. The team are dedicated to the principle that, if taught well, all students can be academically successful. Leaders in the department work to ensure positive staff wellbeing and manageable workload. We have fully resourced schemes of learning and centralised behavior system.

Applications are invited from reflective, disciplined, motivated and inspiring practitioners. The successful candidate will understand principles of a knowledge rich curriculum and have an understanding of relevant areas of cognitive science. They will be committed to personal development and will be well supported to improve as a teacher.

If you believe that **all** students can achieve and want to work as part of a supportive, research engaged team, we encourage you to apply.

The successful candidate will be:

- passionate about their subject; able to inspire and motivate students and staff.
- committed to ensuring all students reach their potential.
- disciplined and able to work effectively as part of the team.
- a role model for our students and staff.
- committed to professional development

In return we will offer you:

- a comprehensive program of professional development
- the satisfaction of being part of a friendly, supportive and reflective team
- well-resourced schemes of learning that will reduce workload
- students who have a desire to achieve and respect the school's expectations.
- excellent care and support for all staff.

If you would like more information about the faculty, email Andrew Stanger, Director of Science
