Lord Grey Academy has been part of the Tove Learning Trust since April 2018 and we are proud of our commitment to ensure every student reaches their potential. Our GOOD OFSTED judgement in May 2022 recognises how leaders have created a focused learning community where pupils enjoy learning and can see that they're making good progress through the curriculum.

We are the third Paris St Germain Football Academy in the UK committed to teaching young people football the Parisian way. An exciting opportunity for staff, students and the community to get involved in the game and knowledge of nutrition, health, strength and conditioning.

Lord Grey Academy is an inclusive, vibrant and diverse learning community where students develop skills in, and beyond, the classroom to ensure they flourish. We ensure that every student has access to an outstanding education and is given the best opportunities to thrive.

We create a shared ethos and an "i can achieve" attitude through our core values and motto Lord Grey Can! Our motto, Lord Grey Can reminds all members of our community that there is no limit to our ambition and that imagination can become a reality. Our values of Determination, Ambition, Curiosity, Integrity and Civility are caught, taught and sought out so that we develop the character of Lord Grey students to prepare them for life beyond school. We have the highest expectations in all that we do and expect of others with strong pastoral, learning and behaviour systems in place to hold students into the pace of our Lord Grey way: the way we do things here.

I am excited to have such a strong body of staff to help continue this pathway towards realising our vision. We work collaboratively across all areas of the school- support staff, teaching staff, admin staff- with one aim to secure the very best futures for our young people. Our dedicated non-teaching pastoral team ensures all students are valued and included. Students and staff at Lord Grey build close relationships and foster a strong culture of learning.

The staff team supports each other well and there is a strong sense of togetherness and commitment to our motto and ambition. We are truly committed to reducing unnecessary work burdens for our staff and promoting a healthy work life balance. Wellbeing of staff and students is always a priority with our own Mental Health team, Ethos Team and staff socials as well as some perks, no emails at weekends and in evenings, a true open door policy so you can speak freely including anonymous staff surveys termly. As a result of these surveys, the leadership team truly listens to staff and over the last 18 months have centralised detentions, created automated systems for communication home and constantly review staff wellbeing to promote healthy work life balances.

We are a community.

We are a community who CAN and DO every day.

We look forward to meeting you.

Information about the Faculty

SCIENCE FACULTY

Science is a large, inclusive faculty. We teach Science to all students in years 7-11 and our post-16 Science courses are extremely popular. Students in years 7, 8 and 9 have three lessons of Science a week and these lessons are taught by a highly professional and enthusiastic group of teachers. Years 10-11 have five lessons per week. A-Level and Level 3 BTEC Sciences and have 5 lessons per week in Years 12 and 13.

The Science course at Lord Grey Academy is designed to develop independent scientific learners. It is a structured course that develops thinking, practical and analytical skills, with the emphasis on experimental work wherever possible. We are developing our Schemes of Learning so that we have a continuous five year curriculum in Science.

In Year 10, students start their Key Stage 4 studies, studying AQA Combined Science but with our most able students studying AQA Physics, Chemistry and Biology. A Level Sciences are popular and successful. We are proud that one of our Year 13 Physicists is now in her final year reading Physics at Baliol College Oxford.

We are well supported by a team of dedicated and experienced technicians, and have a large and very well stocked prep room.

We are currently going through a period of rapid improvement within the Science faculty and this year saw an improvement in students' grades as well as their enthusiasm for the subject. With the changes currently taking place, now is the right time to join this forward thinking and dynamic team. With your help we can make the Science faculty the best in the school and inspire a new generation of Scientists for the future.

If you wish to contact me for an informal discussion about this post I would be happy to speak with you.

Why work at Lord Grey?

At Lord Grey we have a strong sense of team. Staff support each other well and we have good systems and processes to make working as effective and efficient as possible. We have a strong commitment to supporting staff so that they can manage the very important work that we do. We don't underestimate the responsibility and sometimes stress that comes with working in a busy school environment.

How we support staff at Lord Grey

- No pressure to "put on a show" in lessons. A culture of typicality is reinforced by no lesson grading.
- Visible Leadership Team who are on hand to listen and support.
- Everyone has the highest expectations of behaviour, with all staff reinforcing those expectations.
- A clear system of sanctions which is applied consistently so staff don't have battles with students.
- Excellent pastoral support offered through our year teams.
- Specialised personalised CPD for all staff.
- Time for staff to put new things into action and a very careful approach to avoid initiative overload.
- Regular Staff, Faculty and Pastoral briefings to support good communication.
- Internal Intranet where all information is one place and data dashboards to support analysis of data.

- Contributions of staff recognised through our colleague to colleague recognition awards and student thank you cards.
- There are regular staff wellbeing events organised for staff.

Lord Grey Academy is also in a great location. The Academy is situated on a large site in West Bletchley on the southern side of Milton Keynes. Bletchley itself is the home of 'Bletchley Park', where the WW2 'Enigma' code was broken – this site of historical importance and tourist attraction is just a few minutes' walk from the Academy.

Bletchley is a lively town on the outskirts of Milton Keynes, and offers plenty of accommodation, good shopping and good rail links to London and Birmingham. Milton Keynes is centrally placed with excellent transport links, by both road and rail, to the rest of England. Milton Keynes is one of the fastest growing cities in Europe and has superb shopping, many bars and restaurants and a very good theatre. With excellent cinemas, Xscape and the Snow Dome, MK Dons FC and a range of other leisure options, there is plenty to do in Bletchley and Milton Keynes. For those who prefer the countryside, there are many beautiful Buckinghamshire and Northamptonshire villages on the periphery of Bletchley.
