11-16 Academy NOR 1456**

**TEACHER OF SCIENCE - FULL TIME
PERMANENT FROM SEPTEMBER 2022**

The Academy is looking to appoint an enthusiastic teacher of Science to deliver high quality lessons from September 2022. If you are an excellent classroom practitioner, who is flexible, dedicated and passionate about delivering exceptional learning experiences, then we want to hear from you.

This is an exciting time to be joining our Academy as we seek additional teachers to meet rapidly increasing student numbers. Our Science Faculty is of central importance to our Academy as we continue to strive to create an outstanding team, recently achieving Science STEM South West School of the year. This is an exciting time to join this dynamic and committed Faculty as we embed the new Science curriculum, with a dynamic team and 4 newly built Science Labs. Within the Academy two other recent capital projects costing in excess of £4 million pounds have just been completed. The Academy has recently undergone a superb transformation in September 2019 to facilitate students in years 7 to 11 across two sites.

The successful candidate should have Qualified Teacher Status and have an up-to-date knowledge of developments in Science. The post would equally suit an Early Career Teacher or experienced teacher.

The Academy provides high quality professional development opportunities at all stages of teacher development. These range from our extensive ECT programme through to Leadership progression opportunities within Paignton and across the Trust.

The Academy is situated in Torbay and is part of the beautiful English Riviera. It is within easy reach of stunning beaches with golden sands, rolling countryside and Dartmoor. It is also a short drive away via new South Devon link road which brings a host of benefits including easy access to the City of Exeter and its surrounding areas.

'Teachers are motivated and committed to improving their practice.'
'Good conduct is the hallmark of the school. Pupils are respectful to their teachers and so good relationships result' 'Teachers feel valued and well-motivated' Ofsted

Prospective candidates are very welcome to visit or make contact for an informal chat.

Applications should be sent to the Personnel Department of Bay Education Trust (relevant email address on the website) by Friday 10th June 2022.

To access the Candidate Information, Job Description, Person Specification and Application Form, please visit www.bayeducationtrust.org

The Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.

A DBS Enhanced Disclosure is required for this post.
