'Pupils enjoy attending school' | 'Staff are proud to work at the school' - OFSTED, April 2025

Teacher of Science with TLR responsibilities required for the 1st September 2026 as a permanent position.

We are looking to recruit an enthusiastic Teacher of Science with the possibility of TLR responsibilities for the successful candidate to join our successful and vibrant Science Department.

'Pupils form positive relationships with each other and staff.' OFSTED, 2025.

The teaching of Science is a growing strength of the school. Students enjoy the subject and do well. The candidate should have the ability to deliver excellent Science lessons at Key Stage 3, 4 and 5 (the ability to teach physics or chemistry to KS5 would be desirable). There is also the possibility of a significant department responsibility with TLR remuneration.

'Pupils rise to the school's high expectations of their behaviour.' OFSTED, 2025.

The school is located on the fringe of the Lake District National Park; a great place to live and work.

'Staff, including those new to the profession, feel that the school is considerate of their well-being and workload.' OFSTED, 2025.

If you require any further information, please contact the Headteacher, Mr David Tromans on:

Tel: 01900 813434

Email: d.tromans@netherhall.cumbria.sch.uk

Closing date for applications: Friday 15th May, 2026.

Interviews to be held on: w/c Monday 18th May, 2026.

References will be requested before candidates are called for interview.

Netherhall School is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment.

The successful candidate will be subject to pre-employment checks including an enhanced DBS (CRB) check.

'Pupils value the guidance and support that they receive from staff. Sixth-form students serve as excellent role models for younger pupils.'

OFSTED, 2025.
