# HEADTEACHER'S LETTER

Dear Applicant

Thank you for your interest in applying for this role at Burnham Grammar School. I do hope that the information attached encourages and inspires you to make a formal application for this post.

Our students are bright, hardworking, but also full of personality and a joy to teach, reflecting the diversity of their backgrounds and cultures. They contribute fully to school life, are proud of the part that they play and continue to surprise me on a daily basis with their acts of kindness and generosity of spirit. However, our students do not always appreciate or believe how talented they are. We have continued to build upon this community atmosphere, which was noted by Ofsted in December 2022 ([Ofsted 2022 Report](#)):

**“Pupils enthusiastically embrace challenge and enjoy learning here.**

**Pupils, including those in the sixth form, benefit from high aspirations set for them by leaders and staff. This includes disadvantaged pupils and pupils with special educational needs and/or disabilities. ”**

The staff are a uniquely close-knit, supportive and considerate team and the caring ethos makes this a rewarding place to work and develop. The involvement of the staff in the running of the school and in the development of key policies, and our continual efforts to support a work-life balance, have been reflected in us retaining the prestigious Investors in People Gold Award in 2021 and winning the Wellbeing Award in the same year.

We are now entering an exciting stage in the school's development with a unwavering determination to be rightfully recognised as an Outstanding school and a national beacon of best practice that provides inspirational learning experiences to every student every day. In November of 2022 this exceptional practice was recognised when we were designated as a National Centre of Excellence by the Inclusion Quality Mark, which we retained in the Autumn of 2023.

In October 2021 we moved into our brand new school which has provided staff and students with world class facilities to inspire and support their learning and ambitions. These facilities will also provide opportunities for us to broaden our incredible extracurricular offer to students and

broaden students horizons and raise their aspirations. We are, of course, proud of our examination results but the exceptional and diverse range of extra-curricular opportunities and activities inspires and develops students' characters and resilience.

We welcome applications from the right candidates regardless of age, disability, gender identity, sexual orientation, religion, belief or race and want members of staff who have interests and expertise that goes beyond the classroom and physical boundaries of the school. With 61 different first languages spoken by students we are a very diverse school and would want our staff to reflect this diversity.

Quite simply Burnham Grammar School is an idyllic learning community where the relationships and teamwork between staff and students are fostered with care and the key strength of the school. Our school aims are summarised by the overarching motto.

I do hope that you will decide to make an application to join us and that we will have the opportunity to welcome you to our learning community and meet you in person.

# SCIENCE DEPARTMENT INFORMATION

## ***The Department***

The Science department is very popular and academically one of the most successful departments in the country (achieving excellent Key Stage 3 and GCSE results, with a 93% 9-5 GCSE pass rate in Science GCSE subjects with 32% of grades 9-8 in 2025. At A-level, 40% of students attained A\*-A across all three Science A level subjects with 66% A\*-B in Biology, 73% in Chemistry and 67% in Physics level in 2025.

The overwhelming majority of Year 9 students opt to take Triple Science at GCSE and the majority of students in the 6<sup>th</sup> Form take at least one science course.

## ***Department Staffing***

The department is currently fully staffed with enthusiastic, highly qualified, specialist teachers, including nine full-time, four part-time teachers and three laboratory technicians. The department is led by two Co-Directors of Science and an Assistant Head of Science. This is a strong and highly performing department which offers a close knit and supportive environment.

## ***Department Accommodation***

The Science department is housed over one floor in ten specialist laboratories with state-of-the-art facilities. We have recently moved to a new building which has ensured all the laboratories are spacious and well equipped with Whiteboard walls in each laboratory to enable high quality teaching and learning. A-level specialist laboratories have recently benefited from the award of a £100k Wolfson grant and hence can boast high quality specialist equipment that enables effective practical's to be delivered. It has also enabled students to complete extended practical projects in the summer term to support development of their Scientific skills. There is a large separate Science office with printing facilities close by. All of the Science laboratories are equipped with Clevertouch interactive screens. For the most part teachers have a designated laboratory for teaching and the department is well resourced with IT facilities. All students have access to Chromebooks in lessons and there are specialist IT rooms on the same floor which can be booked when needed.

# SCIENCE DEPARTMENT INFORMATION

## ***Science Teaching***

Pupils are taught in mixed groups in years 7 and 8. For Key Stage 4 (years 9-11) they are in mixed ability classes with an average size of 30 students.

Students study a key stage 3 curriculum in years 7 & 8 and then start their Core Science GCSE modules in Year 9.

At GCSE we follow the AQA GCSE Syllabus with the majority of students opting to take three separate science GCSEs.

Biology, Chemistry and Physics are all very well subscribed at A-level with two or more classes for each in Years 12 and 13. There are approximately 55 students studying Y12 Biology, 60 studying Y12 Chemistry and 40 studying Y12 Physics at present.

- A-level Biology follows the AQA syllabus.
- A-level Chemistry follows the OCR A syllabus.
- A-level Physics follows the AQA syllabus.

## ***Extra-Curricular***

Burnham Grammar School has a strong focus on science. We seek to provide extra-curricular opportunities to inspire students and demonstrate applications of Science beyond the classroom. The department is very active and creative in its outreach work including:

- Coordinating and hosting outreach science lessons for local primary schools
- Summer school "Space Camp" for integration of New Year 7 students
- Y7 Science Induction Day (Forensic Scientist for a Day)
- Annual Scientist of the Year competition, sponsored by Lonza Biotech
- KS3 engineering club

Extended Practical projects in Y12

Entrance to Chemistry, Biology and Physics Olympiads

2021 £100k Wolfson Award for laboratory conversion and high-quality A level equipment

- Science Week events including competitions and Science Fair
- Annual STEM day supported by National Grid
- Science trips for KS3, 4 and 5
