

Teacher of Science

Candidate Information Pack

Sackville School

TOGETHER WE ACHIEVE

Dear Applicant,

We are delighted that you are looking to join our team.

Sackville is a vibrant school, with supportive families, colleagues and students who behave well and are a genuine delight to be around. This is a harmonious and happy place to work, with colleagues who want the very best for our students and work hard to achieve it. Our motto of 'Together We Achieve' very much resonates throughout the school.

Our academic standards are high, and our students make good progress with Progress 8 consistently being above average. We regularly have students achieve places at Oxbridge, with many more going on to Russell Group and other universities. However, as a truly inclusive and comprehensive school, we are equally proud of the students who successfully move on to apprenticeships, and into employment or training to meet their personal ambitions.

Pastoral care and the support we give students to achieve in life and in learning is of equal importance to us. We believe that every member of our team has a part to play in this and is central to the success of our new smaller Communities system, putting student engagement, wellbeing and success at the heart of all that we do and aspire to.

We believe in offering a broad and balanced curriculum in which trips, visits, clubs, charity work and competitions play a vital part. Our ambition is for our students to leave us with the best grades possible to support the next step of their journey, but we will only have fully achieved our vision if they also leave as well rounded, confident and curious young adults who believe in themselves, that anything is possible and go on to achieve great things in their future.

We offer a wide variety of extra-curricular provision. Art, drama, music, sport and debating are all very strong at Sackville and we are very proud of the level of success that has been achieved in these valuable curriculum areas, as well as the opportunities given to provide inclusive and enriching activities for all.

We are a 'Leading Edge' school, with recent awards from the SSAT for our work on Professional Learning, Principled Curriculum Design, Engaging with Evidence and Research and Leadership Through Moral Purpose. The provision of high quality teaching and learning is fundamental to our success and staff really value the collaborative opportunities for professional dialogue and training, both within our own school, across our Federation of schools and through national networks such as the SSAT, Challenge Partners and PiXL.

"Our vision is for a safe and inclusive community that enables every student to reach their full potential and develop a love of learning, by living our values every day".

Our fundamental belief is that every student has potential, gifts, and talents. It is our job, no matter what role we have in school, to provide the opportunities, challenge, guidance, and support that enables them to truly flourish. We have high expectations of our students who we expect to work hard, live our values and fully engage in school life every day.

- Are you an inspirational teacher and/or leader with the ability to inspire young people and colleagues alike?
- Do you share our philosophy of high aspiration and expectations for all students?
- Are you someone who believes that by fostering positive and collaborative relationships between students, families and school, there are no barriers to learning that cannot be overcome?

If so, then we would love to hear from you.

If you think this could be the role for you, we encourage you to come and visit to see for yourself or arrange to have an informal conversation with us. Visits can be arranged by contacting kdawson@sackvilleschool.org.uk or telephoning 01342 414900. An application pack is available from our school website at www.sackvilleschool.org.uk.

Yours faithfully

Jo Meloni
Headteacher

Teacher of Science

Required September 2024

Full or Part time MPS/UPS plus possible TLR*

(Plus potential recruitment allowance for an outstanding candidate)

Required for September 2024, an enthusiastic and talented teacher of Science to teach classes across Key Stages 3, 4 and 5 in our outstanding department.

Science is a large and thriving faculty fully staffed with specialists. We offer Double and Triple AQA Science at Key Stage 4 and OCR Biology, AQA Chemistry, Physics with Astrophysics and with Medical Physics plus the AQA Level 3 Extended Certificate in Applied Science at Key Stage 5.

Sackville School is a popular and oversubscribed large, mixed, 11-18 comprehensive with 1700 students on roll. We are looking for someone with the skills, enthusiasm, and ambition to join our team and to achieve our ambitious aims for all of our students.

We are an exceptionally friendly and supportive community built on strong relationships which allow every student to thrive. We invest in our staff, enabling them to pass on their knowledge and love of their subject such that our students are given the very best experience and opportunities to succeed. We have acquired a deserved reputation for 'fighting for every child'. We want all of our students to develop a lifelong love of learning and achieve their full potential.

Our GCSE results are consistently strong with well above average progress 8 scores and our average grade for A level is grade B.

*If you are looking for a new opportunity to complement your science teaching, and are an enthusiastic and experienced form tutor, you may be interested in taking on an additional leadership role within our pastoral team. We have recently introduced a system of 5 Communities (Houses) and have an opening for a Deputy Head of Community. If you would also like to apply for this role please ensure this is clear in your covering letter. Further details can be seen on our website.

We welcome applications from experienced colleagues looking for a new challenge in a large and popular school, as well as ECTs looking for a school that will provide excellent support so that you can really flourish at the start of your career. The school has an outstanding induction programme for new staff and bespoke CPD opportunities for career progression.

Closing Date: Monday 19 February 2024 9am **Interview date:** Friday 23 February 2024

We reserve the right to shortlist and interview prior to the closing date, so early applications are encouraged.

Further details are available on our website <https://sackvilleschool.org.uk> or from Mrs K Dawson PA to the Headteacher, on 01342 414900. An application form, safer recruitment form and letter of application addressed to the Headteacher, should be sent to the Headteacher's PA at kdawson@sackvilleschool.org.uk

Sackville School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The post is covered by the Protection of Children Act and any successful applicant will be required to undertake an Enhanced Disclosure check by the Disclosure and Barring Service. It should be noted that it is a requirement of the Governors of Sackville School that candidates should, whenever possible, name as referees current and former employers (via Heads or Principals where employment at educational institutions is concerned).

JOB DESCRIPTION

Teacher of Science

CORE PURPOSE:

- To develop and enhance the teaching and learning of your subject.
- To raise levels of attainment and progress of all students in your subject.

TEACHING:

- Deliver high quality lessons that meet the needs of all students.
- Ensure subject knowledge is up to date and refreshed as necessary.
- Participate in all internal CPD sessions and attend external CPD as required to develop pedagogy.
- Participate in the appraisal review process following the completion of the ECT induction process.

MONITORING STUDENTS' EXPERIENCE:

Attendance:

- Ensure effective practice in accordance with the school policy.

Behaviour:

- Effectively manage students' behaviour in accordance with the school Culture for learning policy, applying appropriate departmental rewards and sanctions, including promoting the use of restorative approaches to behaviour management and establishing positive relationships with students and families.

Records:

- Ensure that students' records are accurate, updated and accessible e.g. attendance registers, internal communications, and reports.

Reporting:

- Complete effective report writing to parents, as identified in the school calendar.
- Record attainment and progress data as required.
- Attend parent/carers Consultation and Information Evenings as required.

Uniform

- Monitor the standard of uniform in accordance with school policy and deal with any uniform variations.

CURRICULUM:

- Attend subject meetings.
- Contribute to the planning for departmental improvement and cross curricular links.
- Contribute to the development and regular revision of appropriate schemes of learning showing adaptive teaching and assessment in accordance with school guidelines.
- Contribute to the wider life of the school through extra-curricular activities.
- Liaise closely with Community Teams and Form Tutors to monitor student progress and agree interventions to raise achievement.

ASSESSMENT:

- Contribute to the clear and effective methods of assessment in line with national and school policies.
- Use all relevant prior and current performance data to monitor individual student progress in your classes.
- Ensure KS3, KS4 and KS5 attainment targets are met using all appropriate strategies for improvement and student support.

HEALTH AND SAFETY:

- To ensure the health and safety of all students and to report concerns to the line manager promptly.

SAFEGUARDING

- Follow all school safeguarding procedures and policies.

To be alert to issues of safeguarding child protection ensuring that the welfare and safety of children attending School is promoted and safeguarded and to report any child protection concerns to the designated Child Protection Officer using safeguarding policies, procedures and practice.

Prevent, identify and minimise risk of interpersonal abuse or violence, safeguarding children and other vulnerable people, initiating the management of cases involving actual or potential abuse or violence where needed.

Be aware of and update colleagues, as appropriate to comply with current legislation and policies affecting practice, e.g. Children's Act, National Service Frameworks, Child Protection Procedures, Health and Safety and Data Protection.

This post is subject to the current conditions of employment for Class Teachers contained in the School Teachers' Pay and Conditions Document, the 1998 School Standards and Framework Act, the required standards for Qualified Teacher Status and Class Teachers and other current legislation. This job description should be read in conjunction with, 'Clarification notes on the exercise of professional duties for all teachers, other than head teachers'.

This job description may be amended at any time following discussion between the Headteacher and member of staff and will be reviewed annually. It is not a comprehensive statement of procedures and tasks but sets out the main expectations of the school in relation to the post holder's professional responsibilities and duties.

JOB DESCRIPTION - DEPUTY HEAD OF COMMUNITY*

Salary: TLR 3 (c.£3,000) equivalent to a TLR 2a

CORE PURPOSE: To assist the Community Leader in supporting all students in their communities to make good or better academic, social and personal progress as specified by baseline data and other key performance indicators.

KEY RESPONSIBILITIES: To implement the school culture for learning policy and actively promote and support the operation of rewards and consequences for students within your community. To monitor the academic progress of individual students in partnership with your community team and the Deputy Head Teacher (Raising Standards Leader), coordinating appropriate interventions that enable all students in the community to achieve their full potential. To take a leadership role in promoting good attendance and promoting our high standards and expectations. To liaise with the other four communities in ensuring both consistency and friendly competition, charity work, student leadership and events enable our students to thrive in all aspects of school life.

SKILLS AND QUALITIES: Strong leadership skills, with the potential to grow. The ability to encourage and motivate students and colleagues alongside a proven record as a form tutor or other pastoral/curriculum development. A commitment to raising standards and an ability to work with all stakeholders, including parents/carers and outside agencies.

*Only required if you would like to also apply for this TLR in addition to the teaching role.

Appointment to the post is subject to a satisfactory enhanced DBS check. The post is exempt from section 4(2) of the Rehabilitation of Offenders Act 1974, as the duties give access to persons who are under the age of 18. Applicants are not entitled to withhold information about convictions, which would be regarded as spent for other purposes

Science Department

Our team

The Science Faculty is the largest subject team at Sackville. It consists of seventeen teachers, led by the Curriculum Team Leader of Science and four post holders. Six technicians provide invaluable support to all colleagues. All of the staff share an enthusiasm for science, and between them have a wide range of experience and expertise.

Our facilities and resources

The department is very well resourced and housed in a suite of fourteen well-equipped laboratories, situated on two floors of the main school building. Teachers have their own laboratory each fitted with a fixed PC, interactive whiteboard or projector and whiteboard and audio system.

A wide range of modern courses are used, principally those provided by Pearson through Active Teach, although with many classes, we have developed our own resources. We are currently trialling the EPI Sentence Builder courses with the present Year 7s and intend to carry this forward. There is excellent provision of ICT facilities and all classes use ICT to complement their learning. There is also a MFL department staffroom and separate office for the Curriculum Team Leader.

Our Curriculum

In Key Stage Three all pupils follow a science course that closely follows the QCA scheme of work. In year 7, students are mostly taught in mixed ability groups and in year 8 broad setting is introduced. In Years 9-11 students are taught the AQA GCSE syllabus with most gaining a qualification in trilogy combined science. The most able will study the separate sciences and achieve a GCSE in biology, chemistry and physics.

The faculty also offers three A level courses: Biology, Chemistry and Physics. We also deliver a Level 3 extended certificate in Applied science for our lower achieving learners. The number of students opting for each of these courses is very encouraging, reflecting the faculty's aim of making science as accessible to as many students as possible.

We have numerous extra curricular activities which take place including the department's own observatory where regular open evenings take place so that the public can also enjoy astronomy. In addition, we run an exciting year 7 science club and the crest awards for year 8 students. The Science faculty is a vibrant, exciting and successful place to work.

The Science Faculty is a friendly, helpful and co-operative team who are committed to delivering science education of the highest possible standard. We are also committed to safeguarding and promoting the welfare of children and young people and expect all staff to share this commitment. There will be opportunities to contribute to curriculum development as well as to cross-curricular activities such as the school's annual curriculum enhancement week.

Why Sackville?

CONTINUED PROFESSIONAL DEVELOPMENT

- We are committed to developing all of our staff
- Comprehensive programme of CPD is available to all staff
- Tailored approach to fit the individual and their own needs and ambitions
- Membership of a number of external organisations designed to aid training and development across the school

COMMUNITY

- A supportive and friendly staff group who will always go the extra mile for each other
- Weekly 'Staff tea' to bring colleagues from across the school together
- The school plays an important part in the local community, and is committed to working with local groups and charities
