Age range: 13 – 18 NOR: 1100

A mixed Comprehensive High School with a Sixth Form, which is proud to be part of the Shires Multi-Academy Trust.

Required from September 2024

Teacher of Science – (MPS/UPS) Permanent Full Time and Part Time positions

Are you an ambitious and dynamic teacher of Science? We are looking to appoint an innovative teacher, who is passionate about their subject and has a genuine interest in promoting the understanding and lifelong value of Science beyond the classroom. We want a colleague who believes in providing a rich and exciting education for our students that promotes a love of the subject and develops a desire to study beyond Post 16.

North Bromsgrove High School is an exciting place to work and learn and was recently judged 'Good' across every area by Ofsted (January 2023) in which *'Leaders and staff work tirelessly to realise their vision of an inclusive community school. All are reaping the rewards of their collective endeavour. Staff feel supported by leaders and know leaders value their efforts. Leaders' mantra of the 'North family' is evident in many facets of school across all year groups'*. As a consequence of our success and reputation within the community, our numbers have increased in Year 9 and Year 13 and we are now oversubscribed.

North is an exciting, vibrant and friendly school, enjoying enviable facilities. Our vision is to enable our students to become confident, ambitious and successful in their chosen fields, by reinforcing our CARE values: Community, Aspiration, Respect and Endeavour. Ofsted (January 2023) identified *'Leaders, staff, pupils and students have worked together to make North Bromsgrove High School a better place to work and learn. They have been successful. The school's 'CARE' values of 'community, aspiration, respect and endeavor' have been at the heart of their work'*. We treat every child as an individual, prioritising academic excellence through reflection and focus on continual improvement across all areas of the school.

North also benefits from its location: it is just south of Birmingham and attracts many staff from that area via a short commute; it is also between the M5 and M42 hence providing ease of access for staff travel.

We are looking forward to reading letters of application from experienced teachers, particularly those experienced in teaching Physics or Chemistry, or from newly qualified entrants to the profession; NQTs enjoy a full programme of support, or for more experienced colleagues, we are delighted to be able to offer access to National College leadership programmes through our Teaching School partnerships.

We can offer you:

- 9, modern, spacious, well-equipped labs each with an interactive whiteboard and moveable tables. We have two mobile fume hoods.

- 1 bookable ICT suite situated within the Science department able to accommodate a full class.
- 2 well-stocked science prep rooms, looked after by 3 of the best lab technicians you will ever find!
- The team is made up of 8 staff including a Head of Science, Lead practitioner, and Progress Leader for Year 9. Staff teach the AQA Combined and Separate Science GCSE specifications and are expected to teach across all 3 disciplines where required. We also offer A-levels in Biology, Chemistry and Physics as well as a Level 3 BTEC extended certificate in Applied Human Biology. We are delighted to have an increasing up-take in each of our Post-16 courses, especially the Human Biology which has proven very popular this year.
- Strong links to our feeder schools Science departments and other local High schools.
- Extra-curricular clubs including Sci-Fi movie club, Animal Club and a Forensics club.
- We are a very friendly department with a range of experience looking for someone to join us on the next step of our journey.
- A forward-looking school where excellent teachers can transform lives.
- Electric Vehicle Scheme and Cycle to Work Scheme
- Eye Care scheme with Specsavers

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.

Closing date for applications: 29 April 2024

Interviews will be held on: 03 May 2024 (we reserve the right to interview before this date)

To arrange an informal visit, please contact Mrs Bridges, Head of Science at EBR@northbromsgrove.worcs.sch.uk

Further information and an application form are available on the school website www.northbromsgrove.worcs.sch.uk

Applications to be sent to Mrs Kite at akt@northbromsgrove.worcs.sch.uk

Further information and an application form are available on the school website.

Shires Multi Academy Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. All offers of employment are subject to an Enhanced DBS check, and where applicable, a prohibition from teaching check will be completed for all applicants.

In accordance with our statutory obligations under Keeping Children Safe in Education, Shires Multi Academy Trust is required to conduct an online search as part of our due diligence on appointed candidates. This may help identify any incidents or issues that have happened, and are publicly available online, which the Shires Multi Academy Trust might want to explore with you. The Trust is committed to the promotion of equal opportunities and diversity.
