

Do you want to work in a school where you feel valued? Where staff wellbeing is championed? Where CPD and opportunities for growth and development are supported and encouraged? Look no further and come and work with us!

TEACHER OF SCIENCE - MPS / UPS

Required For September 2026 start - Permanent Position - ECT applications are welcome

We are seeking to appoint a dynamic and inspirational Teacher of Science, all disciplines considered, to join our team of highly committed scientists.

The successful candidate must have the ability to teach science at Key Stage 3 & Key Stage 4. We also have a thriving A level programme and the ability or ambition to teach at Key Stage 5 is desirable and support is available for colleagues wishing to develop this area of their practice. Early Careers Teachers are welcome to apply, and we offer a fully supported professional development programme, including regular subject specific mentoring and whole school training.

At Wollaston we expect our staff to be committed to ensuring that all students enjoy their lessons and work towards achieving exceptional outcomes.

The successful candidate will join a strong and popular faculty with high uptake by students at Key Stage 4 and Key Stage 5 in the individual disciplines many of whom choose to pursue science-based courses at university. The Science Faculty support a love of science through a variety of clubs and trips each year and is comprised of a team of well-qualified specialists, with the support of 2 full time and 1 part time technicians. The faculty is housed in a purpose-built science block, with 11 dedicated laboratories. This is an exciting opportunity for any individual who wishes to develop their career in a welcoming, ambitious and supportive school with a dedicated team of teachers and a fantastic cohort of students

Closing date for applications is: Friday 8th May 2026

Interviews will be held during week commencing 11th May 2026
