

Teacher of Science and Maths

Full Time – MPR / UPR

We are looking for an exceptional colleague with a passion for Science and Maths to join our core curriculum team in September 2026. We seek a highly skilled and enthusiastic teacher who can inspire students and facilitate rising attainment in this key subject. The successful candidate will be able to teach ages 11-16 in this talented and well-resourced department with a keen interest in teaching and learning.

The Science team are based in a dedicated Science building with well-resourced classrooms for the new AQA curriculum. We have a high attaining, engaged student body with students who enjoy Science. The successful candidate will be able to inspire our students with 21st century learning opportunities and have a track record of delivering good lessons with the ability to secure progress for every student. We are looking to broaden our offering of extra-curricular opportunities, candidates with an interest in STEM and cross-curricular links should apply.

We have a high attaining, engaged student body with students who enjoy Maths. The teaching staff in our supportive team are all qualified Maths specialists, with the addition of two non-teaching Maths graduates supporting years 8-11. The department has worked collaboratively to achieve high attainment at GCSE, and good progress for disadvantaged students.

This is an exciting time to join us at Crofton; we are a happy, and ambitious school, excited about our journey to becoming exceptional. If you are an imaginative and energetic teacher, able to contribute to our culture of sharing best practice and want to make a difference to the life-chances of all the students in your care then this could be the post for you.

Applications are welcome from qualified teachers from all levels of experience. We have an outstanding, and established Induction programme to support staff new to the profession. The person appointed will be given full support in their career development as we believe that development of staff is a key aspect in raising standards for our students.

We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

CVs are not accepted. For more information and a downloadable application pack see our website <http://www.croftonschool.co.uk> - click the 'Recruitment' heading under 'Our School'.

A tour of the school for all short-listed candidates is included as part of the interview process.

Closing Date: Noon Monday 15 June 2026. We reserve the right to close the advert before the closing date should we receive sufficient applications.
